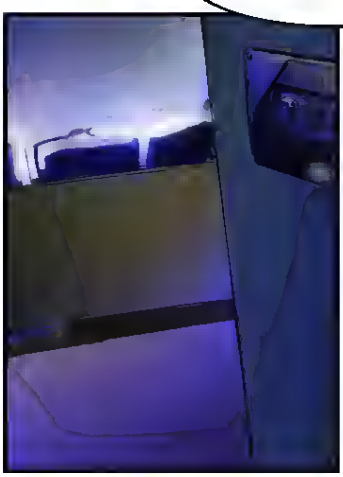
Aaaah...
I'm finally done.

I'll go to bed as soon as I'm done touching up.

My first time resting in 6 days.

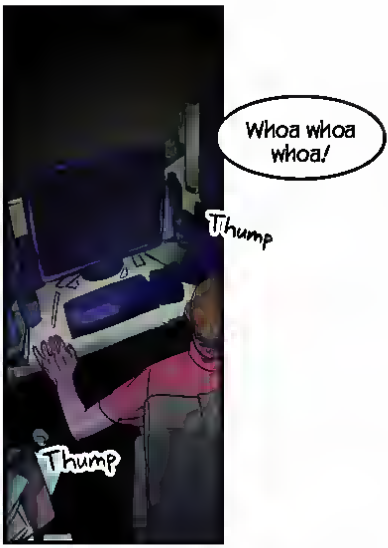
All I have to do now is save~



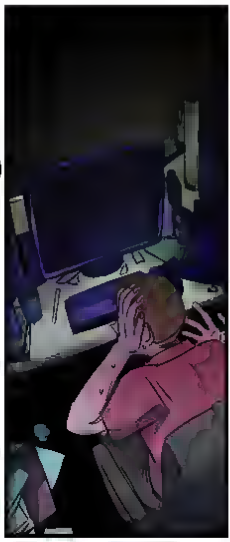
SAD

...?

Huh?

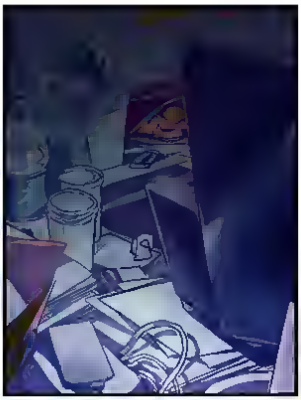


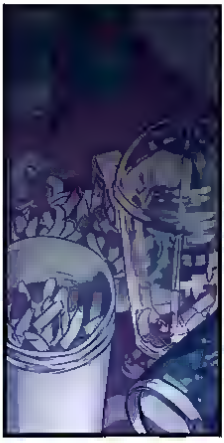
Whoa whoa whoa!
Thump
Thump



???????

Ugh...





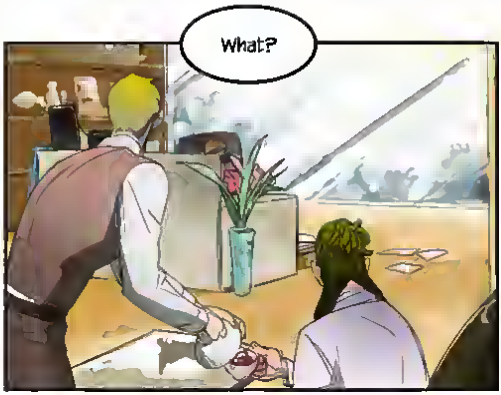
End the world?

OH.MY GOD!

강지영 / 현에지

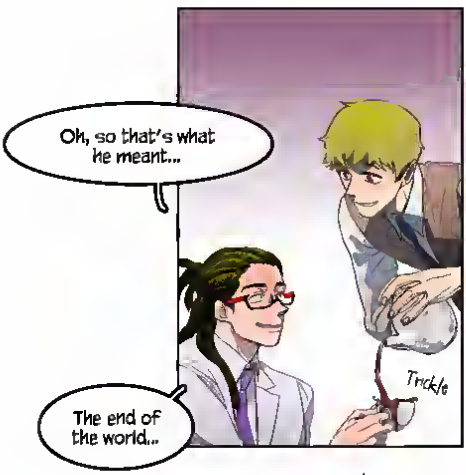
URIEL
(ANGEL)

GABRIEL
(ANGEL)



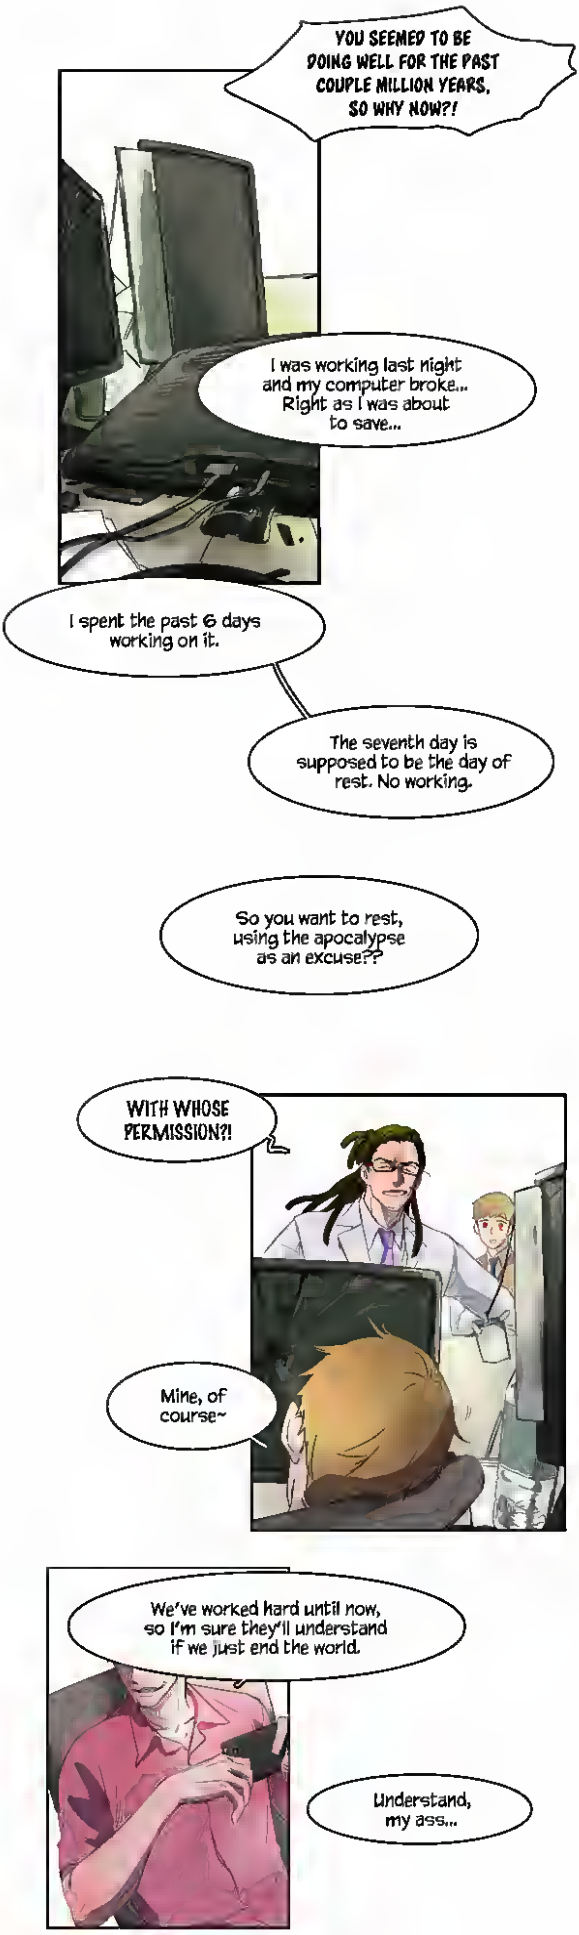
An apocalypse.

I don't want to do this anymore...
GOD

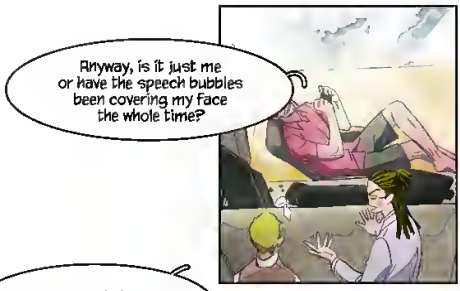


Oh, so that's what he meant...
Trickle
The end of the world...

Hot!
OOPS~
LIKE HELL!!



YOU SEEMED TO BE DOING WELL FOR THE PAST COUPLE MILLION YEARS, SO WHY NOW?!
I was working last night and my computer broke... Right as I was about to save...
I spent the past 6 days working on it.
The seventh day is supposed to be the day of rest. No working.
So you want to rest, using the apocalypse as an excuse??
WITH WHOSE PERMISSION?!
Mine, of course~
We've worked hard until now, so I'm sure they'll understand if we just end the world.
Understand, my ass...



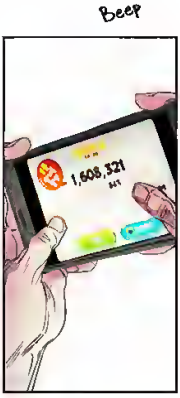
Well, Gods have publicity rights too.

Anyway, I'm just wondering whether or not you're being too impulsive.

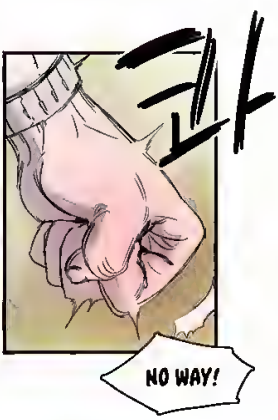
You said you'd cause one just a while back, and you caused some serious commotion in the lower levels.

They were whining about why Nostra lied to them, and it took me forever to calm them down!

Beep
Beep



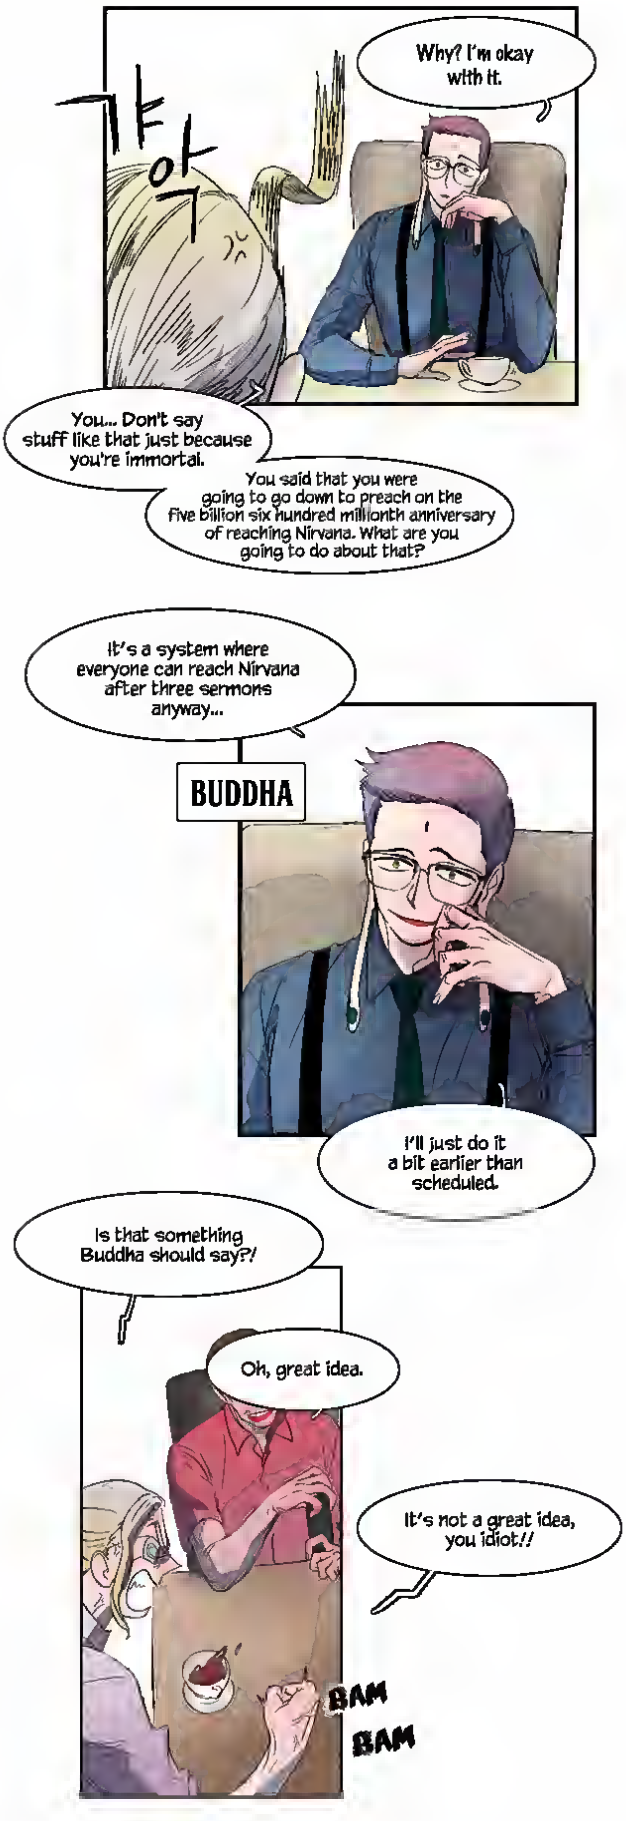
Well, if it's them...



쾌
앙
NO WAY!

I WON'T!!
I CAN'T!!
WE'VE FINALLY JUST STOPPED THE END OF THE WORLD RUMORS. AND YOU WANT TO CAUSE ANOTHER ONE?!
YOU THINK THAT THE END OF THE WORLD IS A GAME?!
THERE'S AN INCREASE IN APOCALYPSE SUPPORTERS IN THE LOWER LEVELS BECAUSE THEY'VE GOT SOMEONE LIKE YOU AS CEO!

ODIN

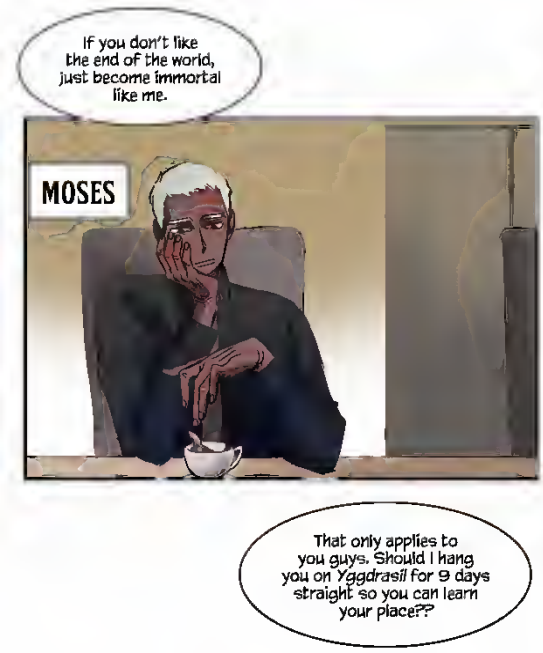


Why? I'm okay with it.
You... Don't say stuff like that just because you're immortal.
You said that you were going to go down to preach on the five billion six hundred millionth anniversary of reaching Nirvana. What are you going to do about that?
It's a system where everyone can reach Nirvana after three sermons anyway...
BUDDHA
I'll just do it a bit earlier than scheduled.
Is that something Buddha should say?!
Oh, great idea.
It's not a great idea, you idiot!!
BAM
BAM

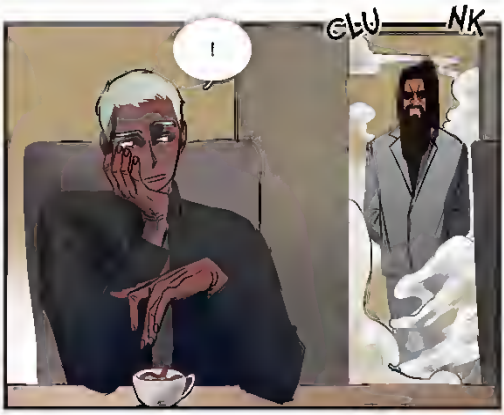
You guys believe in reincarnation. Won't that all disappear once the world ends?!
I could have them all reach Nirvana.
Easier said than done! And why are you speaking so informally? I'm much older than you!!
Look at you, bringing up age since you lack numbers. They say your face reflects your soul. Can you really live with yourself when you're so heinous?

What?! What about those earlobes of yours?! They're the very definition of heinous!!

Stop grasping at straws. You're just like a beast that doesn't know shame.



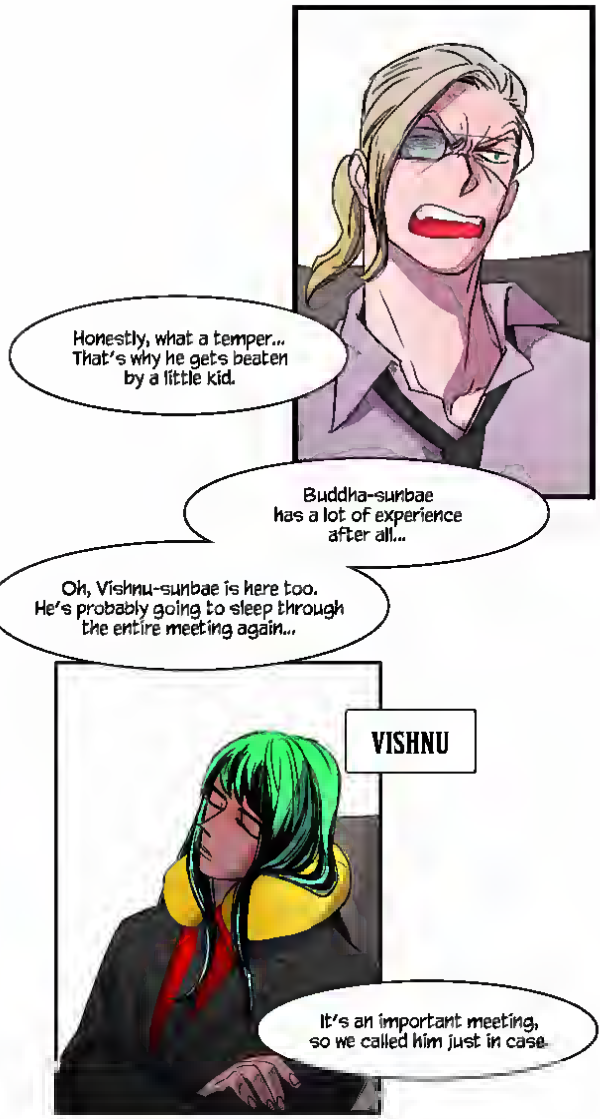
That only applies to you guys. Should I hang you on *Yggdrasil* for 9 days straight so you can learn your place??



You're way too late, kid.
I'm so sorry. The driver got the roads confused...
TAP
I told you to not let him drive. He's so bad with directions.

Come sit here.
Thank you.

Odin-sunbae looks upset.
He just had an argument with Buddha and lost.

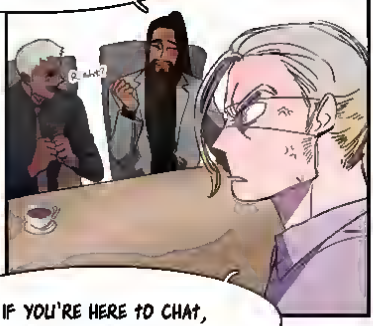


Honestly, what a temper... That's why he gets beaten by a little kid.
Buddha-sunbae has a lot of experience after all...
Oh, Vishnu-sunbae is here too. He's probably going to sleep through the entire meeting again...
VISHNU
It's an important meeting, so we called him just in case.

It'll be an apocalypse as soon as he wakes up anyway...

We'll have to be careful and to not wake him then. More importantly, did you try that massager that I bought you?

Yes! It was totally awesome!



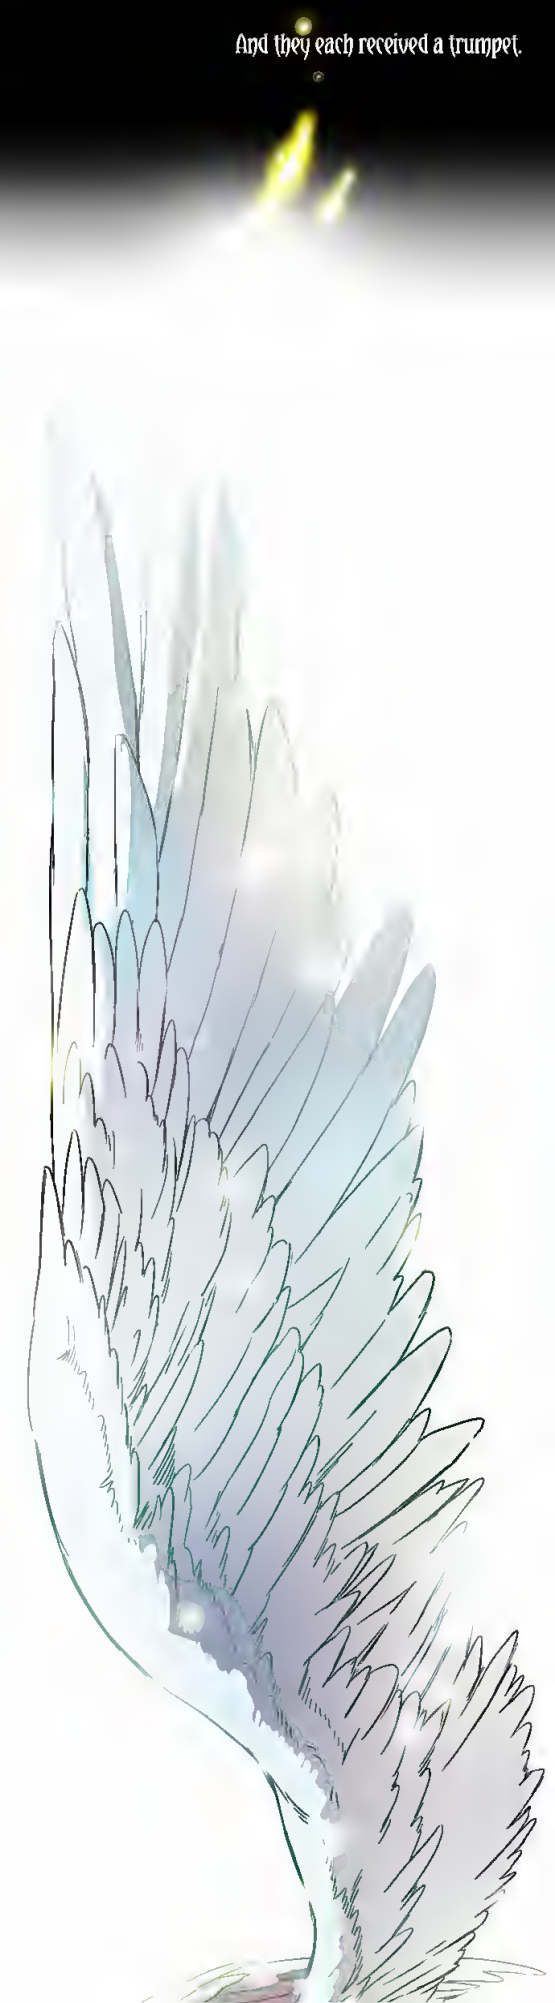
IF YOU'RE HERE TO CHAT, JUST GET THE HELL OUT.

Yes, yes. Now that everyone's here, let's start the meeting.

I think it'd be best to end it the traditional way, wouldn't you agree?

You know...

I have seen...
Seven angels...
in front of God...

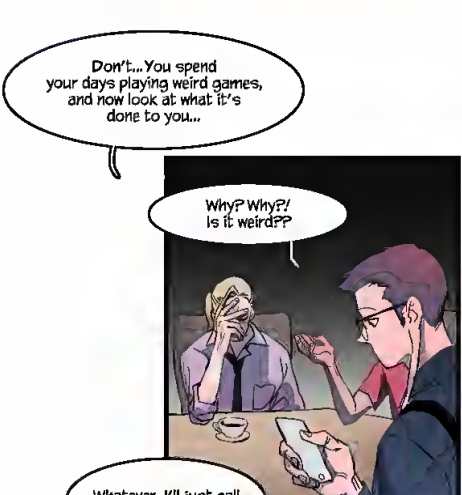


And they each received a trumpet.

And with seven plagues
They announced to those living on land
That the end was near.

.....

So? What do you think?



Don't... You spend your days playing weird games, and now look at what it's done to you...
Why? Why?! Is it weird??
Whatever. I'll just call Maitreya-hyung.

Umm, the seven plagues in this day and age are a bit... strange.
Egypt was a small country to begin with, and more importantly, it's really hard to find frogs and crickets now.

NOW IS IT A BAD IDEA?! IT'S ONLY A COUPLE THOUSAND YEARS OLD!
Hello? What's up, hyung?
Do you have any ideas?
Well, this is my first apocalypse so...

Vishnu-sunbae... probably doesn't care...

And Odin-sunbae...
I was against it from the beginning!

Hey, hey. What about this?

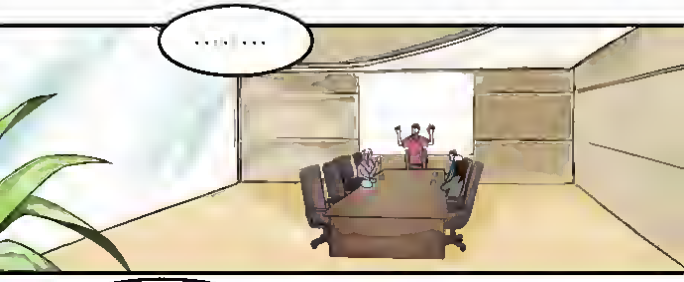
Those who harm the earth,

Death, Famine, War and Pestilence

Shall go down to the land...

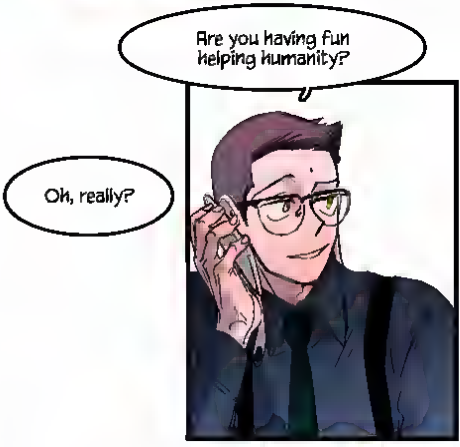
And bring sorrow...

To the beasts and the false believers
once again.



. . . . . .

What the hell. So many game invites.

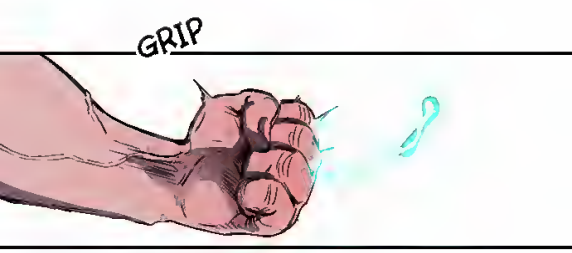


Are you having fun helping humanity?
Oh, really?

I don't have much experience being a god, but I've governed for a long time.
Oh that's right, you were born before me.

But really, I've ruled for such a long time that now I think that being king is a horrible fate.
Haha, so what happened then? Really?? You did that?
And my mother is shedding, so I get bear fur stuck in my throat all the time. It's so sturdy too, bear fur...
Hahaha, that's hilarious.
Whoa, Loki's first place. Is he actually buying items?

YOU PEOPLE...



GRIP

DID YOU NOT HEAR ME?!?

Ugh, I have this item from before.

AND YOU CALL YOURSELVES BOARD MEMBERS?!?
DO YOU THINK MEETINGS ARE A JOKE?!
YOU WANNA SEE WHAT HAPPENS IF YOU KEEP BEING SO UNCOOPERATIVE? HUH?!
JUST KEEP THIS UP!
THIS IS WHY I HAVE TO WORK FOR 6 DAYS STRAIGHT WITHOUT ANY REST!
He's destroying things again
I COULD JUST IGNORE ALL YOUR OPINIONS.
Crumble

AND CAUSE THE APOCALYPSE BY MYSELF!!

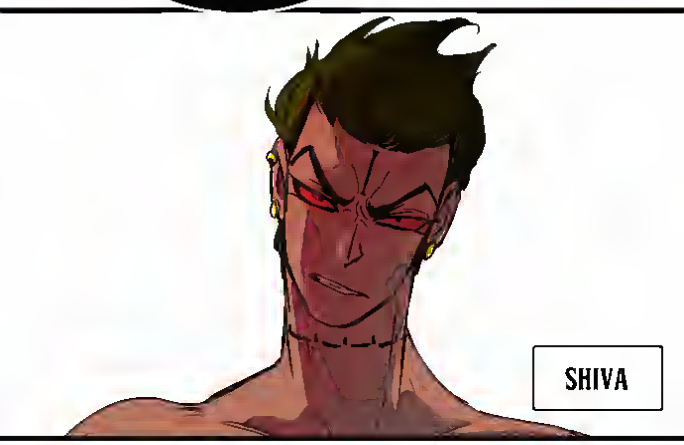
I'LL REALLY DO I--
BLEHHAH

Whoa!
Thump

Who...

Allowed you

To discuss an apocalypse without me?



SHIVA

OI, STYE! I TOLD YOU TO NOTIFY ME ABOUT MEETINGS IN TIME! WHY DIDN'T YOU TELL ME? HUH?!

WHO THE HELL ARE YOU CALLING STYE?!? I'M UPSET AS IT IS BECAUSE IT'S TAKING FOREVER TO HEAL! AND I'M NOT THE ONE WHO ORGANIZED THIS MEETING, SO WHY THE HELL ARE YOU ANGRY AT ME?!?

How is that okay?! I'm the God of Destruction!!

Who the hell do you think you are!?

Hey, Shivashivashiva.
DON'T SAY MY NAME LIKE THAT!
Stick
If you want to participate, shouldn't you at least dress appropriately?? What the hell are you wearing?
I don't know why, but I can't wear things with sleeves...
Sh
rug
It's obviously because of those things shrugging behind you.

Uhh. Buddha-nim Shouldn't we stop them?
I'm a pacifist, so I can't get involved in something so violent

Why are suits the norm?! You should think about the minority!

Minority my ass. Do you even know what that means?

At least I know more than you do!

Oh? Does the fact you have one more eye make you smarter?

Smarter than you, Cyclops!

I am so close to summoning *Gungnir*. Do you want to witness Ragnarok right here, right now?

Ah, that's great.

Ragnarok.

Yes.

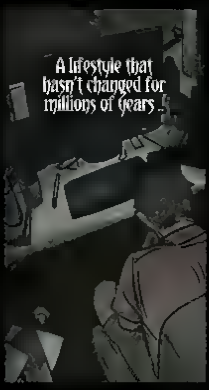
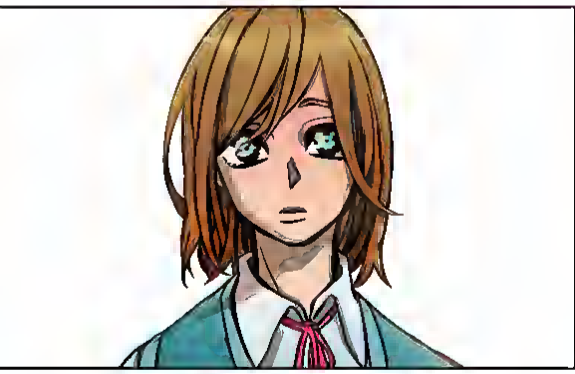
I want to rest...



They need stimulation...

Even if the stimulus is a CEO...

Even so..



Not this kind of stimulation.

강지영 / 현에지

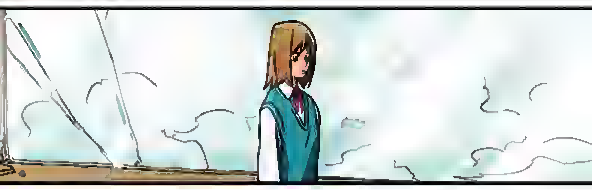
Sorry, but what kind of situation is this?

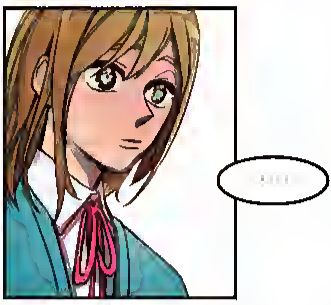
I don't know... This has never happened to me before.

Hey, Maitreya-hyung? Sorry, but I need to hang up.

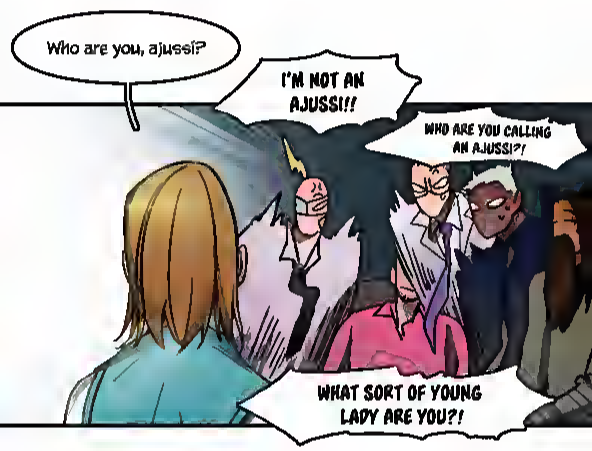
T/N: MAITREYA A BUDDHA WHO WILL APPEAR ON EARTH IN THE FUTURE.

Something interesting has just happened.

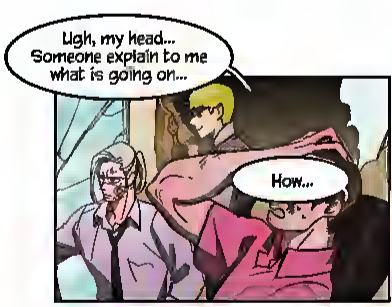




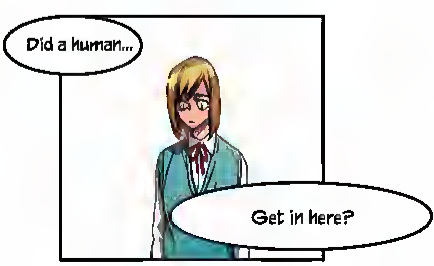
.....



Who are you, ajussi?
I'M NOT AN AJUSSI!!
WHO ARE YOU CALLING AN AJUSSI?!
WHAT SORT OF YOUNG LADY ARE YOU?!



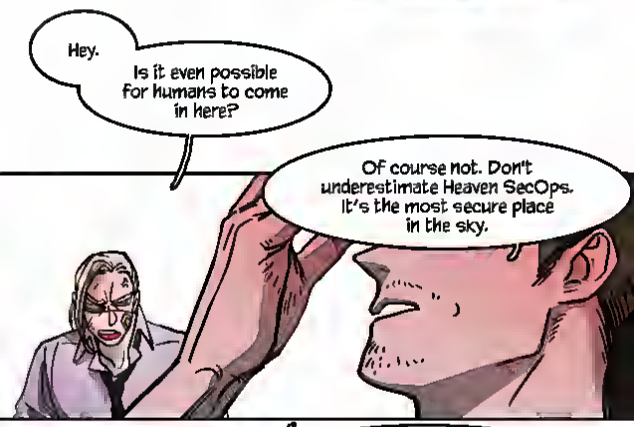
Ugh, my head... Someone explain to me what is going on...
How...



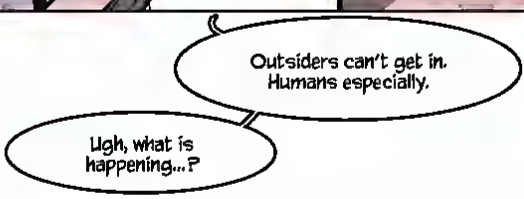
Did a human...
Get in here?

I just sent some people over to investigate...

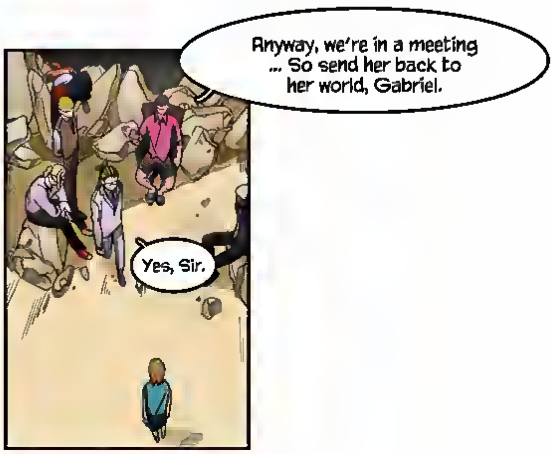
But it doesn't seem like a security mistake...



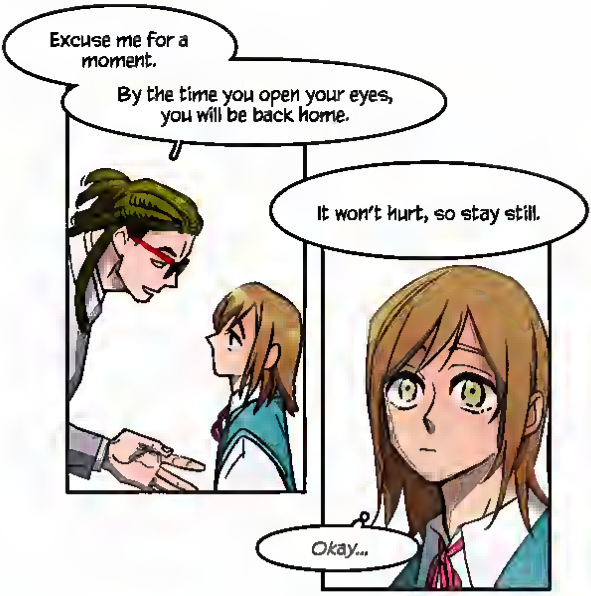
Hey.
Is it even possible for humans to come in here?
Of course not. Don't underestimate Heaven SecOps. It's the most secure place in the sky.



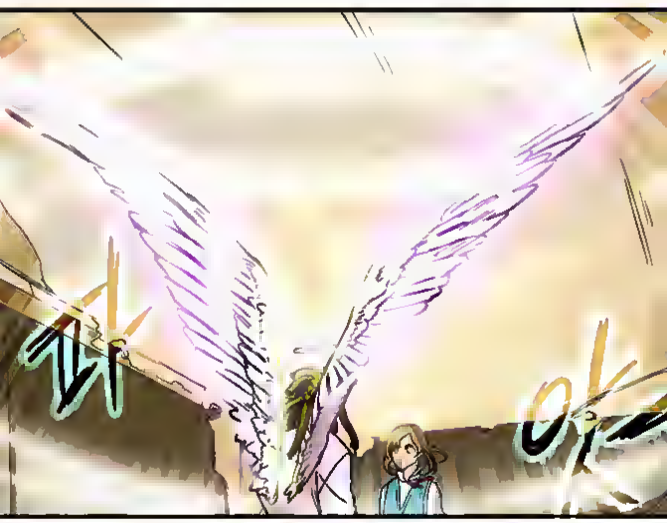
Outsiders can't get in. Humans especially.
Ugh, what is happening...?



Anyway, we're in a meeting ... So send her back to her world, Gabriel.
Yes, Sir.



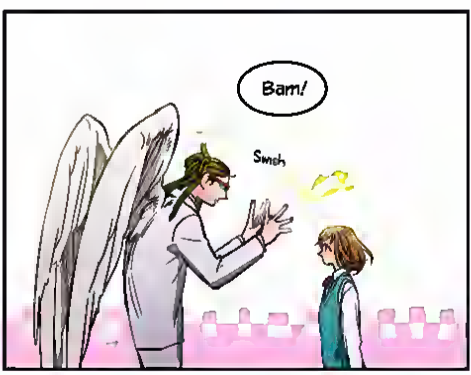
Excuse me for a moment.
By the time you open your eyes, you will be back home.
It won't hurt, so stay still.
Okay...

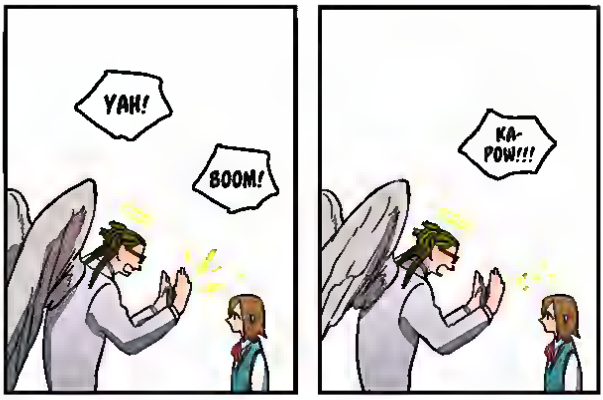


SFX: Whoosh

Cool

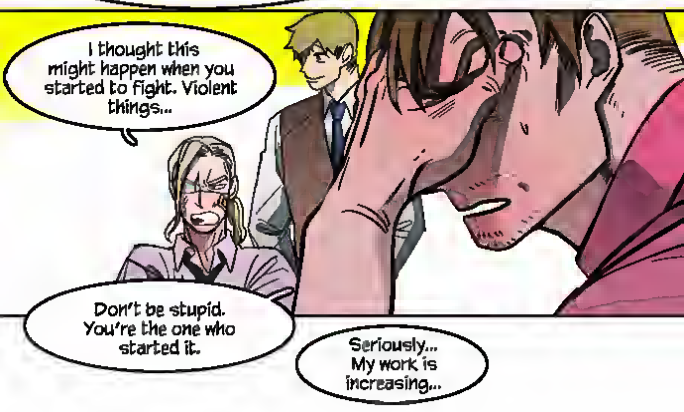
That's so stupid!!





YAH!
BOOM!
KA-POW!!!

. . . . . .
It's not working...
Damn, another bug...
I think...
Something happened to the dimensional barrier when the board members used their powers.

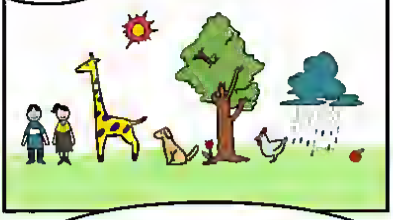


I thought this might happen when you started to fight. Violent things...
Don't be stupid. You're the one who started it.
Seriously... My work is increasing...

Bring me the directory of all the humans.

I've just looked at it, but there is no name in the register.

What?



That's impossible. Everything on Earth has a name. That's the norm, isn't it?

Well...

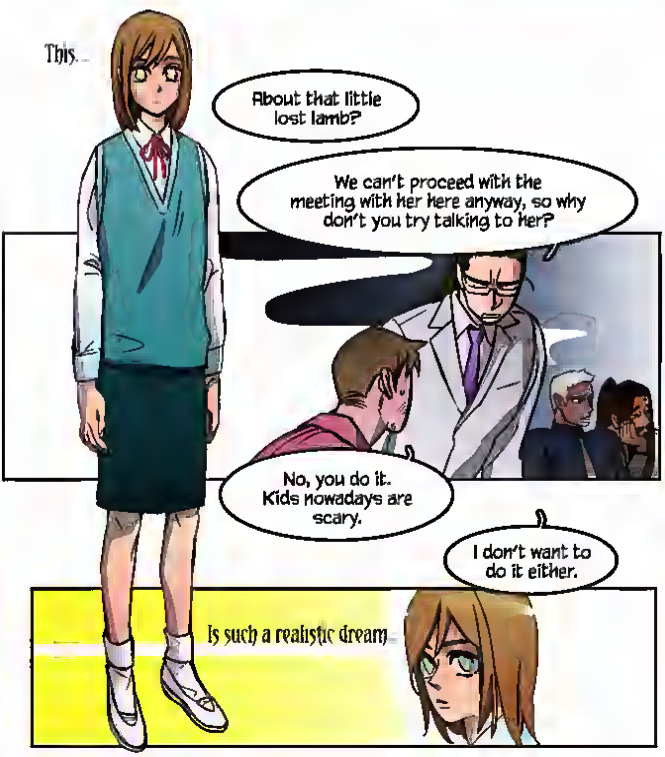
Someone high and mighty did not save his work and it got lost...

So there is an error in the records.

So it did cause an error...

All I wanted was to rest a bit, and now look at me...
That's why you should have saved.
Glum

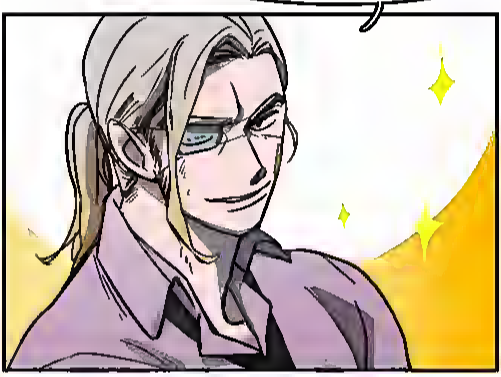
How could I have known it would turn out this way?
Anyway, what should we do...



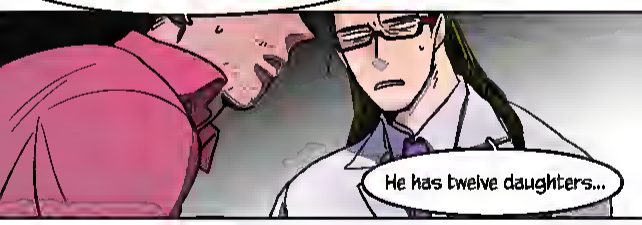
This...
About that little lost lamb?
We can't proceed with the meeting with her here anyway, so why don't you try talking to her?
No, you do it. Kids nowadays are scary.
I don't want to do it either.
Is such a realistic dream

Haah...
Hey, little girl.

I don't know how you ended up here, but we're not scary people.



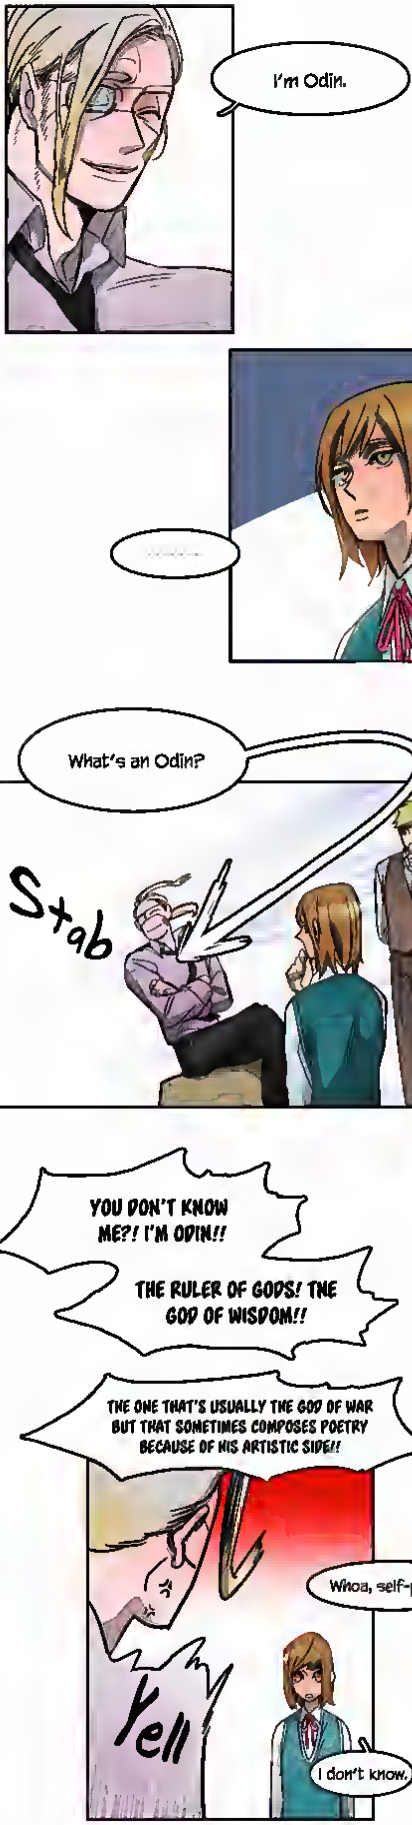
Why is he so calm?



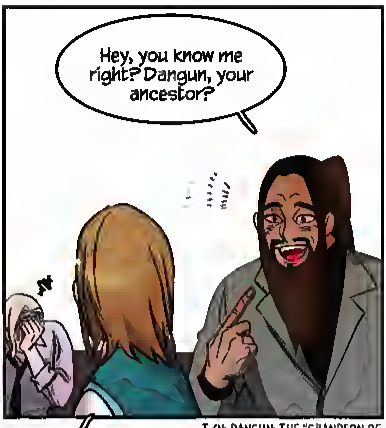
He has twelve daughters...

Who are you, ajussi?

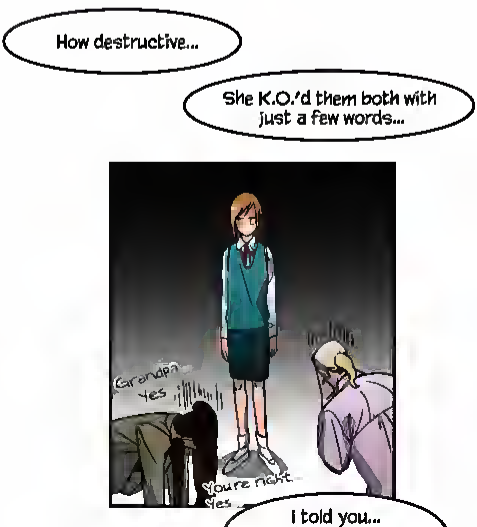
Hmm, I guess it's been a long time since I've interacted with humans, so it's understandable that you don't recognize me.



I'm Odin.
.....
What's an Odin?
Stab
SFX: Pffft
YOU DON'T KNOW ME?! I'M ODIN!!
THE RULER OF GODS! THE GOD OF WISDOM!!
THE ONE THAT'S USUALLY THE GOD OF WAR BUT THAT SOMETIMES COMPOSES POETRY BECAUSE OF HIS ARTISTIC SIDE!!
Whoa, self-praise...
Yell
I don't know.



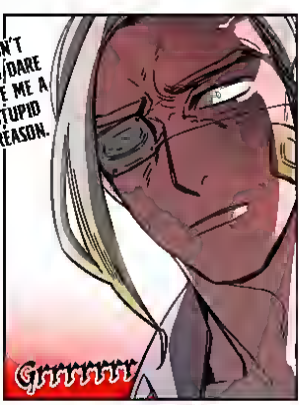
T/N: DANGUN: THE "GRANDSON OF HEAVEN," LEGENDARY FOUNDER OF THE FIRST KOREAN KINGDOM.



Hah... Hahahaha!
Hey, Mr. CEO...
Hmm?
I'm suffering this humiliation because you brought up the subject of an apocalypse...
HUH? WHY IS THIS SUDDENLY MY FAULT?!
I knew this would happen as soon as you mentioned the end of the world...
What's the reason?
Freeze

What's your reason for causing such a commotion?

Why on earth would you consider the apocalypse, Boss?
Ah, well... I was working and my computer...



Don't you dare give me a stupid reason.
Grrrrrr

Don't you dare give me a stupid reason.

DON'T YOU DARE
GIVE ME A STUPID REASON.

Rumble

H-Humans...
They don't have faith!! I let them be for a while, but now they're just doing whatever they want!

If you decrease the population, you'll have more free time and more resources for the general good, right?

Whoa, hold on!
Whisper
What are you doing telling a lie like that?! You just wanted to rest using the apocalypse as an excuse!!
Gwaaaaaaah
Whisper

H-How can I tell the truth?! Look at his eyes!

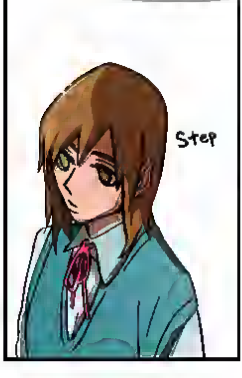
He might stab me with *Gungnir* if I say the wrong thing!

T/N GUNGNIR: THE MIGHTY SPEAR OF ODIN

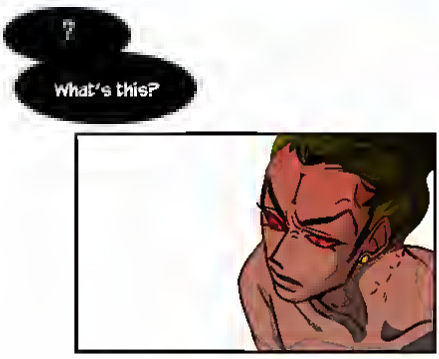
You need the right justification for something like this.

That's the only way to avoid further trouble!

But even if it becomes a big deal, there won't be any after effects.



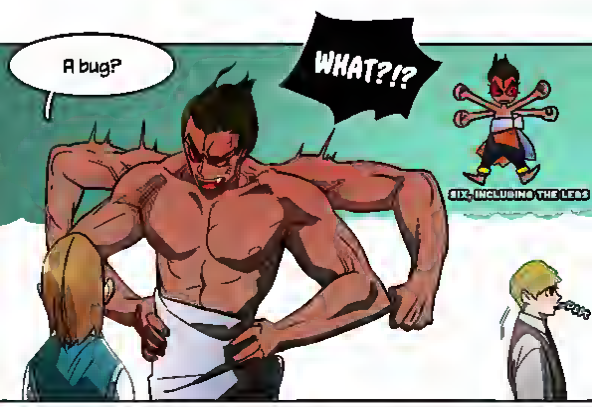
Ughh. Those stupid old men...



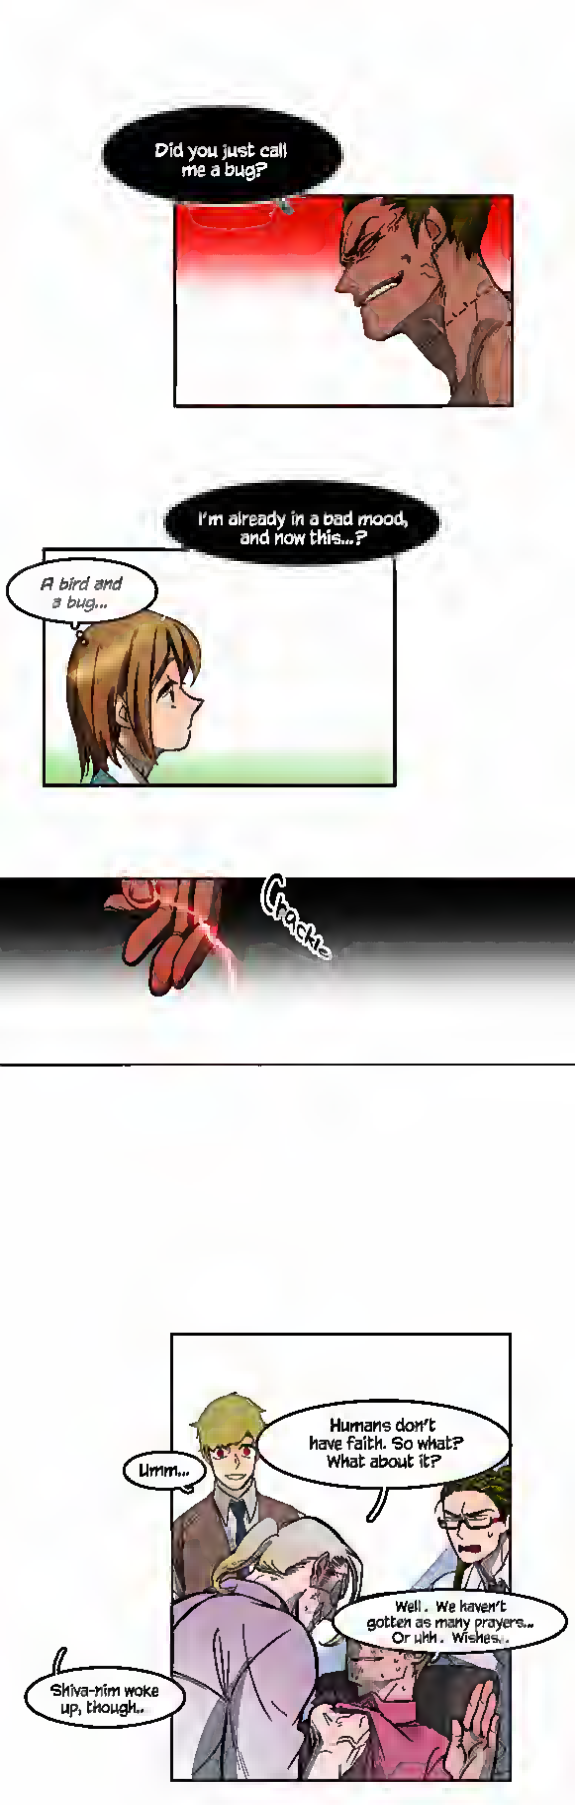
?
What's this?

A human?

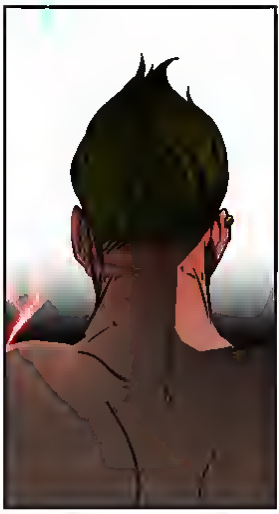
Four... Arms...



A bug?
WHAT?!?
SIX, INCLUDING THE LEGS
GASP



Did you just call me a bug?
I'm already in a bad mood, and now this...?
A bird and a bug...
Crack.
Humans don't have faith. So what? What about it?
Umm...
Well. We haven't gotten as many prayers... Or uhh. Wishes..
Shiva-nim woke up, though..



Did you think you'd be safe after angering me, you puny human?

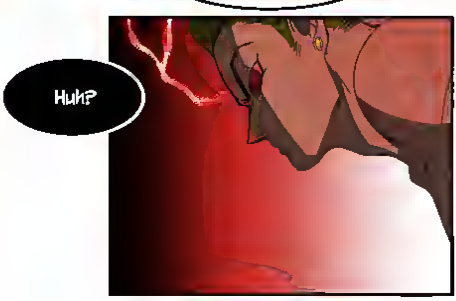
Stop lashing out.

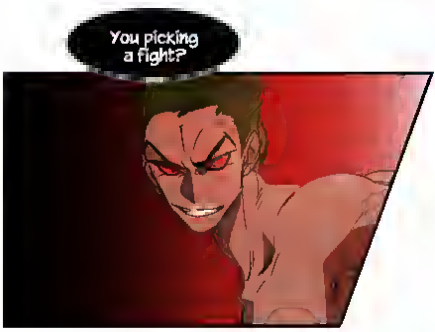
This is no way to act, especially after you just woke up.
Always so hot-headed.



Huh?

Clench

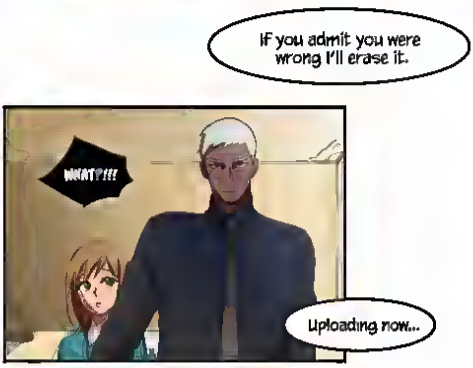
What?



You picking a fight?

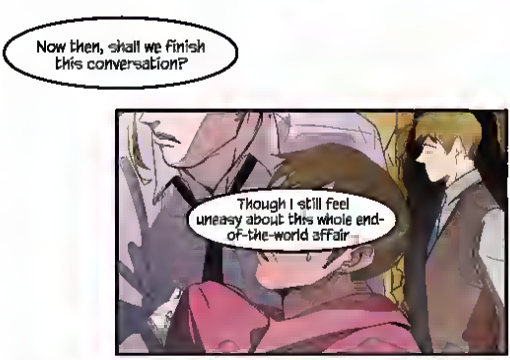
Hmm...
Clench

You know... when you were hit by the boss and passed out cold earlier... it was all caught on video.
WHAT?!!
Let's upload on Facebook...
DELETE IT!!

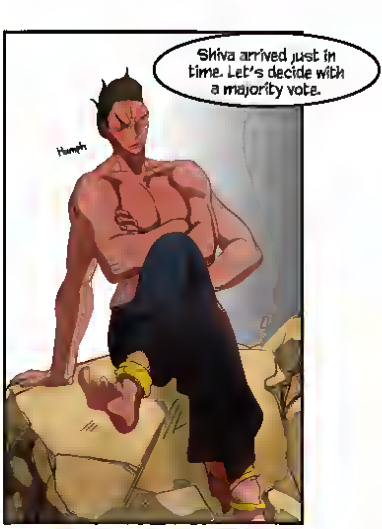


If you admit you were wrong I'll erase it.
WHAT?!!!
Uploading now...

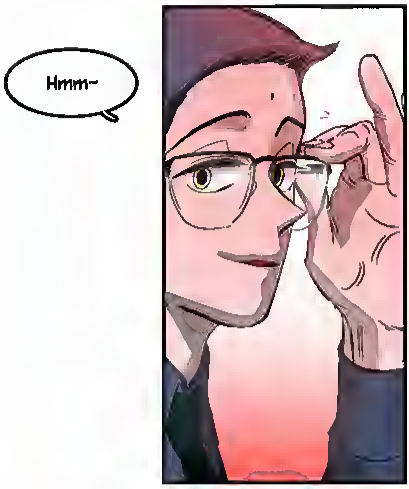
...I was wrong.



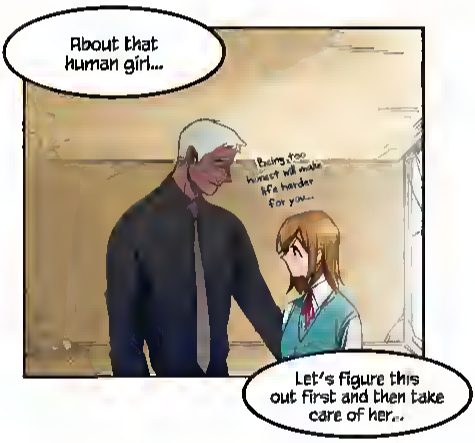
Now then, shall we finish this conversation?
Though I still feel uneasy about this whole end-of-the-world affair...



Shiva arrived just in time. Let's decide with a majority vote.
Humph



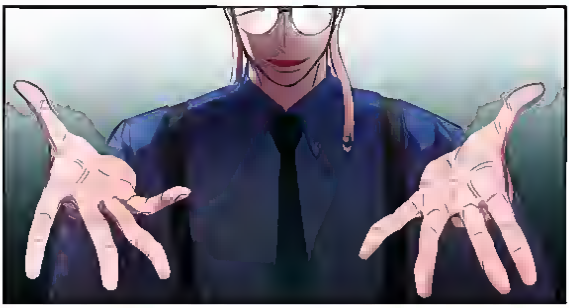
Hmm~



About that human girl...
Being too honest will make life harder for you...
Let's figure this out first and then take care of her...

Everything is coming together nicely.
Ah~ There's no one like Buddha...

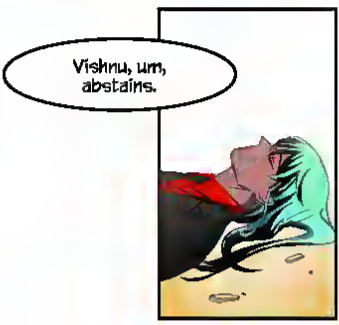
Now then, my Lords.



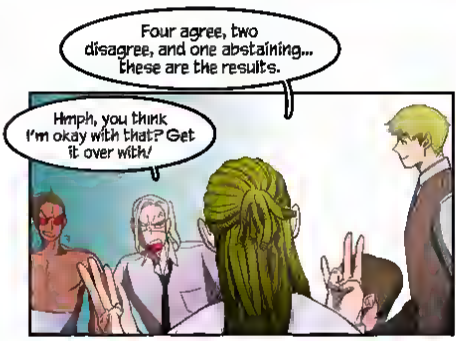
The apocalypse... do you approve or disapprove?

T/N: SAMSARA IS THE ETERNAL CYCLE OF BIRTH, DEATH AND REBIRTH

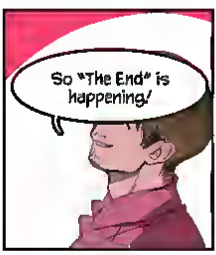
For now, I agree.
But take note that if you exclude me the next time, I will destroy this place.



Vishnu, um, abstains.

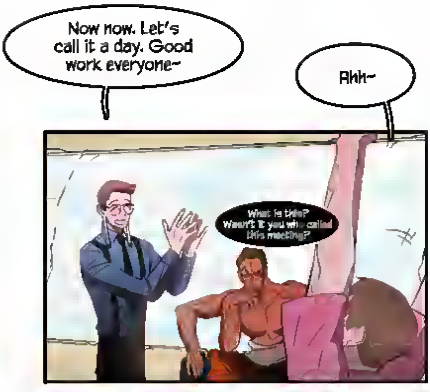


Four agree, two disagree, and one abstaining... these are the results.
Hmph, you think I'm okay with that? Get it over with!

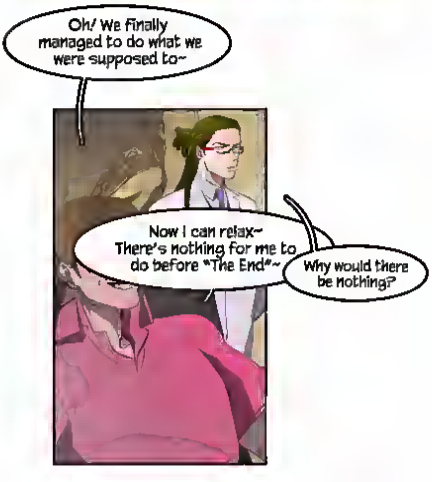


So "The End" is happening.

Uriel, get the kids downstairs to prep the presentation for "The End".
Yes.

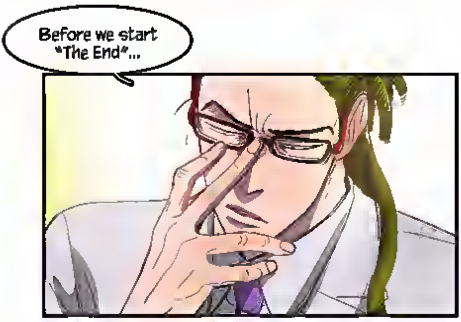


Now now. Let's call it a day. Good work everyone~
Ahh~
What is this? Wasn't it you who called this meeting?



Oh! We finally managed to do what we were supposed to~
Now I can relax~ There's nothing for me to do before "The End"~
Why would there be nothing?

...? Huh? What are you talking about?
.....

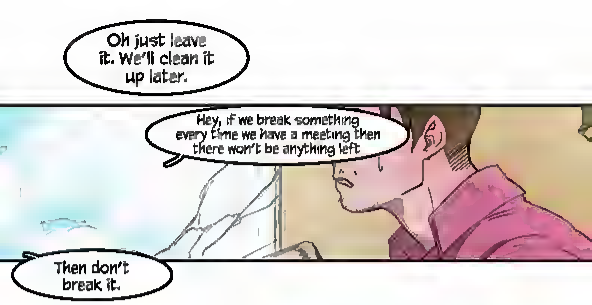


Before we start "The End"...

Boss you have to settle this.

The Boss has to figure it out.

Hey, what do we do about this rubble?



Oh just leave it. We'll clean it up later.
Hey, if we break something every time we have a meeting then there won't be anything left
Then don't break it.

Huuuh...?

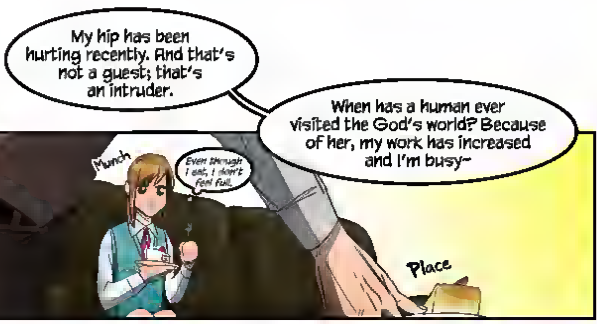
Don't yell at me. I died because of you.

Do you really want to lie around like that when a guest is in front of you?



My hip has been hurting recently. And that's not a guest; that's an intruder.
When has a human ever visited the God's world? Because of her, my work has increased and I'm busy~
Munch
Even though I eat, I don't feel full.
Place

If you want to say you're busy then say it after fixing your computer!
Hey, it was you guys who dumped it on me.
Who was the one who made us busy?!
All right, all right, it's all my fault~
It all started with your absurd idea that you could get some rest if you brought about "The End."
Who knew that it would turn out like this-?
Disappear. Just disappear from my sight...
Excuse me...
What exactly is this place?

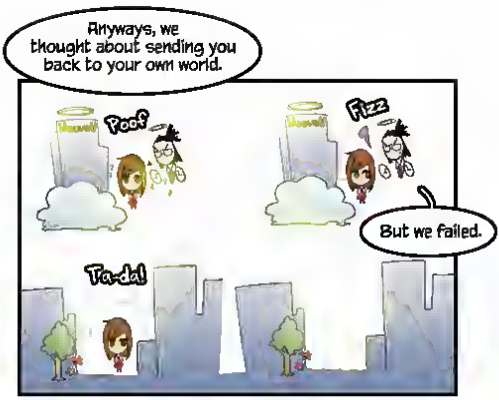
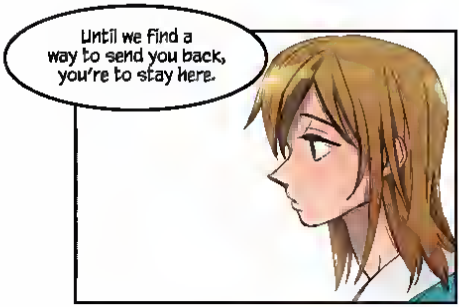
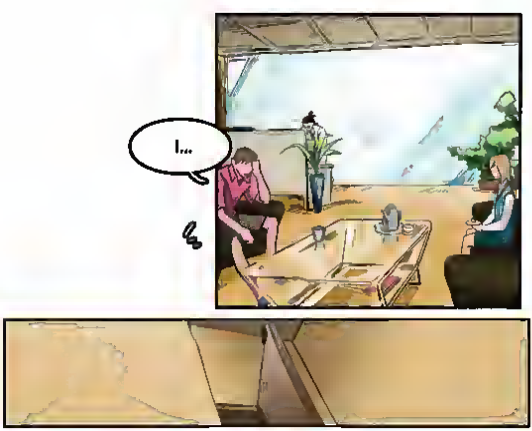
It really was a meeting earlier.
But it was chaotic.
Then you appeared.
They were fighting.
But this place should be forbidden to you, young lady.
You were playing a game.
.. Girl, have you been told you have a unique personality?



So, I wanted to tell you.





Boss.
They've finished preparing the presentation.
Oh really?

God blessed them and said to them, "Be fruitful and multiply; fill the earth and subdue it. Rule over the fish in the sea and the birds in the sky and over every living creature that moves on the ground."

I saw the seven angels who stood in front of God.

They received seven trumpets.

When the first angel blew his trumpet...

...there came hail and fire mixed with blood, and it was hurled down on the earth. A third of the earth was burnt up, a third of the trees were burnt up, and all the green grass was burnt up.

Back in time, the dinosaurs were wiped out this way!
That meteor, how are you going to launch it?
You mentioned the demise of the dinosaurs. Didn't you know, after throwing flaming meteors one-by-one, the guys' hands got scalded?
The Minister of Labor nearly charged all of us in this group.
Yikes! Hot!

Ah! I have an alternative for that part.

A revolutionary, automated system that needs no manual labor! With just one hit, the Earth goes POOF!

It's fully tested, so you can use it whenever you like!

And where will we get the budget to build that innovative meteor?

Ho-ho, I got a nice low bid, so I've given the order to the factory.

Chances are that even the existing budget will suffice.

WHO THE HELL GAVE PERMISSION TO GET LOW-QUALITY, LOW-BID WORK?

You and I both know that you have to wait 200 thousand years to see an ice age.

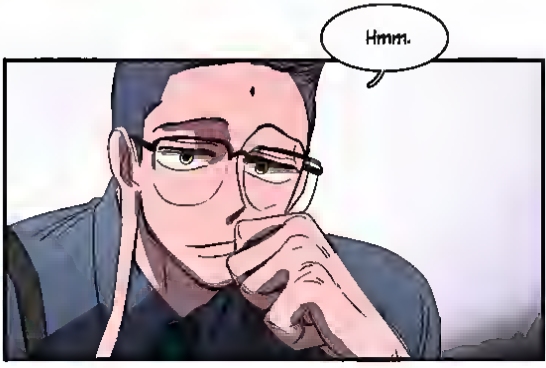
After 200,000 years, be it human or whatever, they will fall on their own.
You've probably came up with the idea after watching some disaster film.
Hweeeeeeeeng
It's a no-go from beginning to end.

Now, now, you're being so pessimistic.
Is it because your idea was ignored at the last meeting?
Ahhhh..
That's not it.
Relax, It was a majority vote.
I told you it's not like that.
Yo. Don't get so hung up about it.

I told you that's not it!



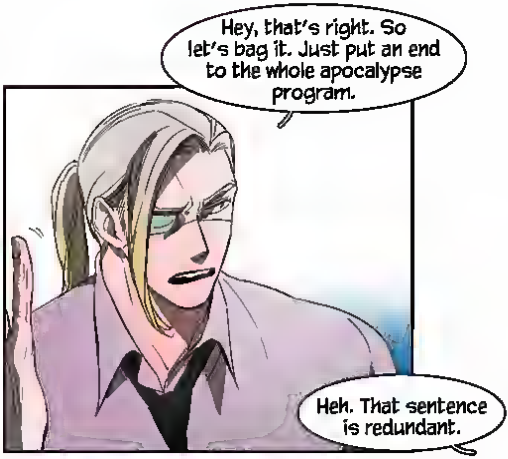
Hmm.

Is it because of the short notice?

Everyone's ideas are lacking in quality.
What do I do with this?

Hey, that's why you should have left it up to me from the beginning.
If you assign this important issue to those underlings, do you really think this will turn out well?
Just leave it to me, and in one go, I will—
Hello...?
I still doubt your motives.
Haha. I don't know what you mean.
But, hey, in the olden days, wasn't there a guy who helped us during the Great Flood?
Noah?

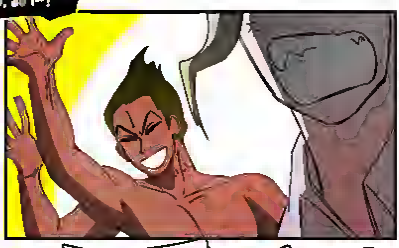
Yeah, him.
I wanted him to come, but his animal fur allergies were so strong, he had to take an early retirement.
Hmm, so in the end, everyone's ideas sound pretty equal. No particular idea stands out.



Hey, that's right. So let's bag it. Just put an end to the whole apocalypse program.
Heh. That sentence is redundant.

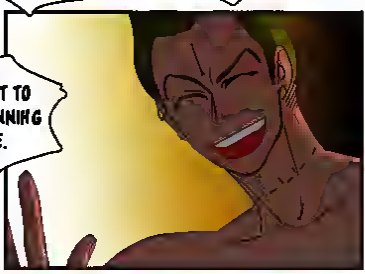
BUT WE CAN'T HELP IT! EVEN IF WE WANTED AN APOCALYPSE, WE WOULD AT LEAST NEED A SUITABLE PLAN FOR IT!

THAT'S WHAT I WAS SAYING, SO I--!



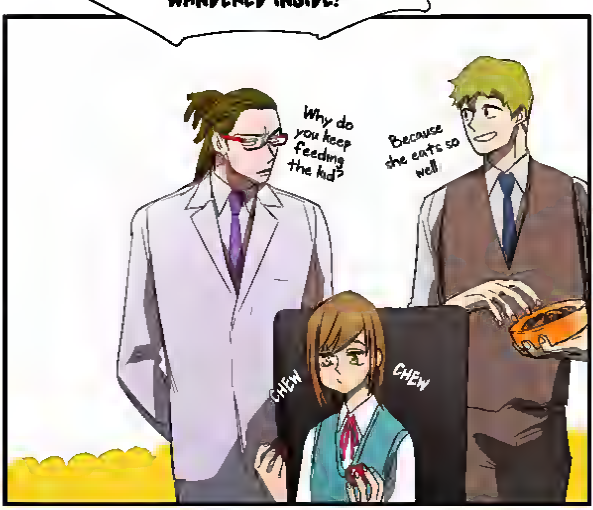
I TOLD YOU NOT TO DO IT FROM THE BEGINNING!

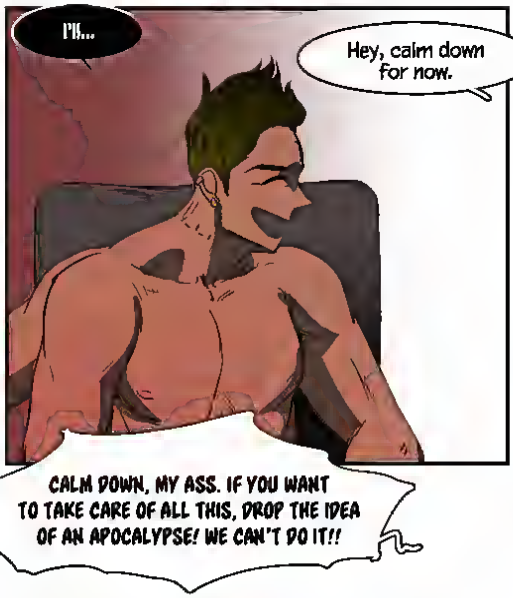
WE STILL HAVE A LOT TO DO OTHER THAN PLANNING THE APOCALYPSE.



WE HAVE TO INVEST IN THE COMPANY! WE HAVE TO TAKE CARE OF OUR EMPLOYEES!

THIS TIME, EVEN A RANDOM HUMAN GIRL HAS JUST WANDERED INSIDE!





I'll...
Hey, calm down for now.
CALM DOWN, MY ASS. IF YOU WANT TO TAKE CARE OF ALL THIS, DROP THE IDEA OF AN APOCALYPSE! WE CAN'T DO IT!!

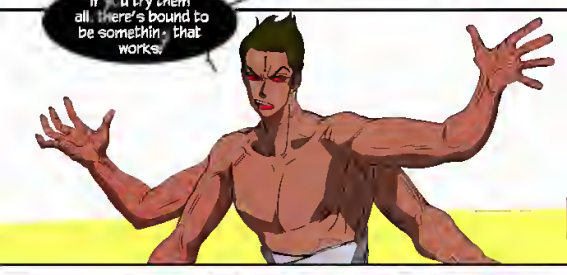
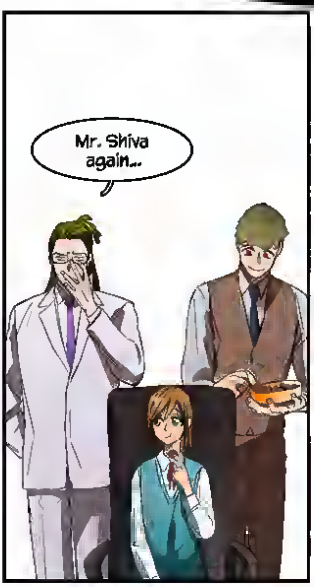
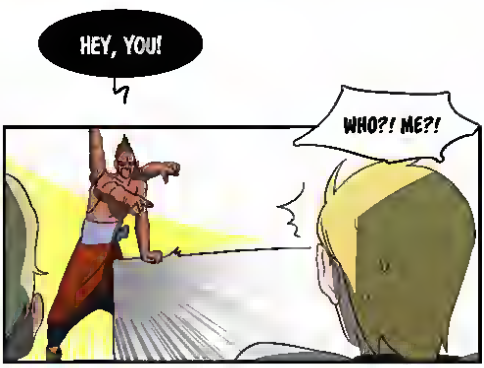
If you try them all, there's bound to be something that works.



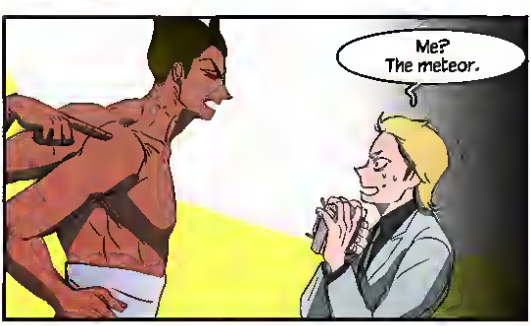
And what if everything fails?

It'll just end the world, what more?! The whole point is to end the world anyway!





Yeah, you What was your idea again?



Sounds good.

What is this? It is The End... a simple, stress-free End.

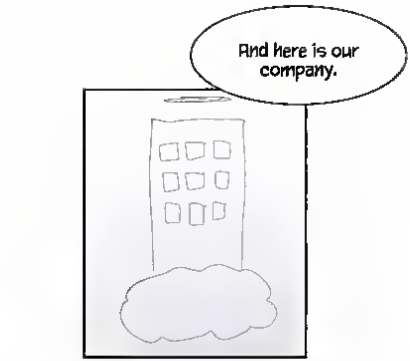
강지영 / 현예지

Look, here is the human world.



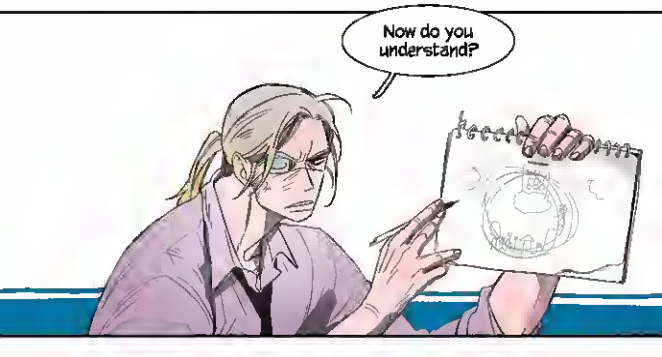
And here is our company.

Normally, these two worlds are in separate space-times, so two-way interaction is rarely possible.

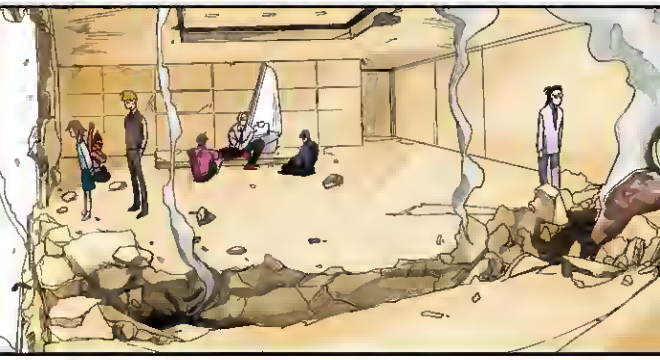
But here...
Squeak
Squeak

...a human came in.

So, the two worlds have become connected.

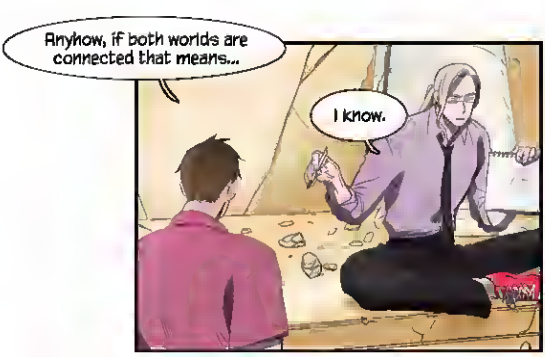


Now do you understand?



As the one responsible for making a mess of your own company, you shut up and stay put.
Urk. Come on. You know that you wouldn't be able to carry through with The End.
JUST LOOK AT ALL THE WORK YOU'VE MADE!

And raise all four arms!



If anything happens in the human world, then we'll take the hit.

Sque- squeak.

It's so high.

That girl is the connection factor.

So, in a word, it means even more work for us.

What did I say?

Didn't I tell you to just forget about the apocalypse?

Yeah, but still, we decided by vote, so we can't change that.

So, what's our next plan?

Send her back to her world, just like we decided.

Gabriel already tried that, but it failed.

Hmmm

Hmm.

If we can't do it remotely, then we'll have to do it manually.

You have the list of humans right?

I do.

We'll find her name in there and send her back directly.

Although it's tedious, it should work right.

Hey, go away.

If he has four arms, does that mean that he is punished two-fold?

But, wait...
What? Is there a problem?
Uh... No...

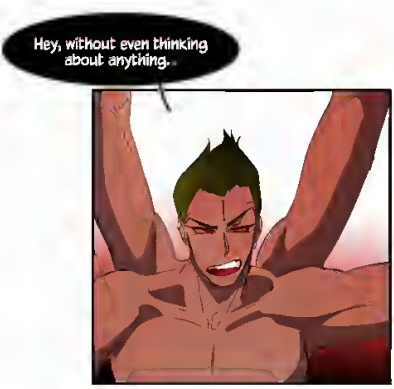
Suspicious
That list... I threw it away...
What are you thinking so hard about?



Hey, without even thinking about anything..

...we can just kill this human.
Grab

I told you not to drop your arms!
YEESH
Raise

Well, that might work, but up to a point I'm just guessing.
Even Gabriel's strength didn't succeed.
We aren't positive what will happen if we kill that human. I don't want to be liable for the outcome.

Hmm. What to do?
What if we confine her in hell for about a hundred years?
Her lifespan has already been decided, so she'll eventually grow old and die.

Can't we still have the apocalypse afterwards?
!

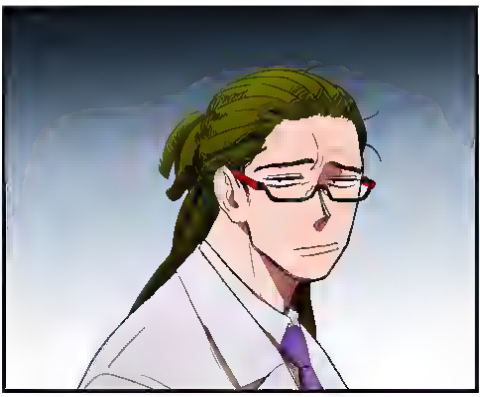
Such a simple solution!



Hey, what? Can't you grimace after I explain why?

No, it's just that my foresight says that it might be unwarranted.

Why Hell?

Would you like some?
Oh.
Where do those things keep coming from?
Hell has a back-up list of dead people.
By chance, if we use our abilities and that kid dies...
...her name would be on that register.
Well...
That makes sense.

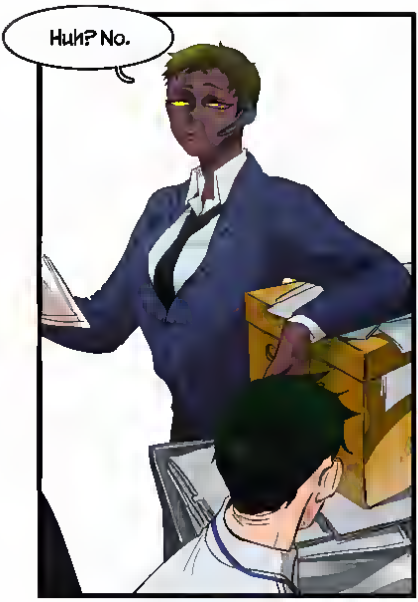
Since you are organizing the list for today, take care of this for me too.
You mean this file?



Huh? No.

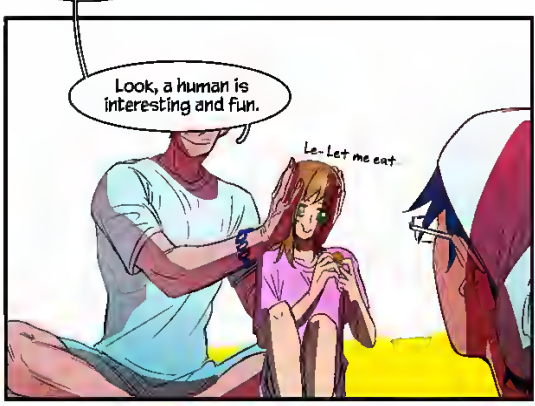
What do you mean she's not dangerous? She's caused all sorts of havoc ever since she came here.

Ah-ha! You haven't come to ask for help with something difficult, have you?

Not at all!



How many hundreds of years has it been since we've last seen each other?

You said your work was too hard, so you left me with the work down here.

And giving me a junky Netbook??

HEAVEN
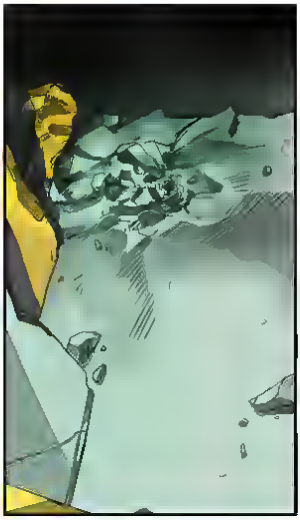
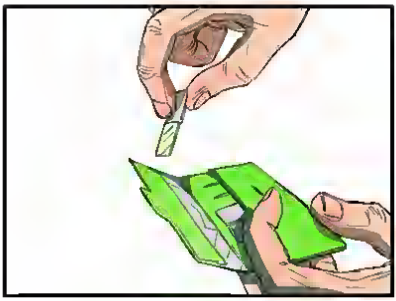
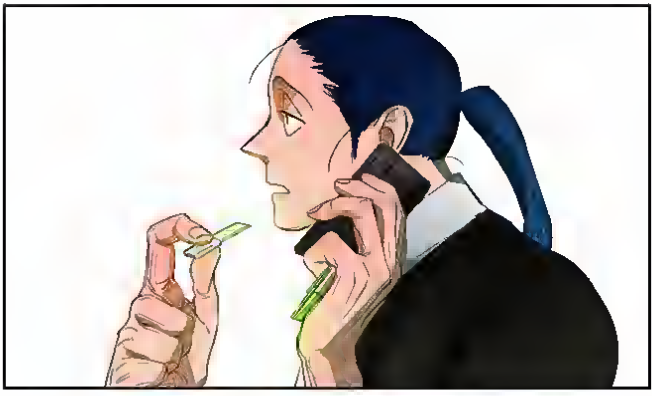
OH.MYGOD!



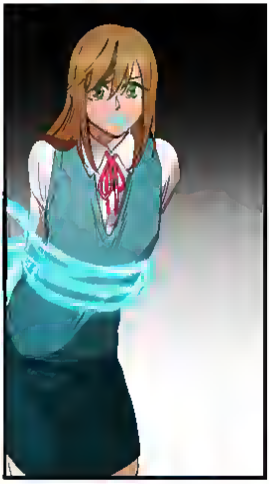


Yes, Father.

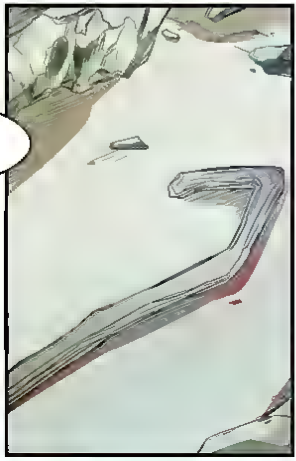


No. I wasn't ignoring my phone intentionally.

I was just tying up some loose ends.



Yes. Yes. This one guy here was a real headache.



I mean, for a human, his endurance was disgustingly strong.

Anyhow...

...I've squared things away...

...according to your plan...

...for all the staff and the executives.

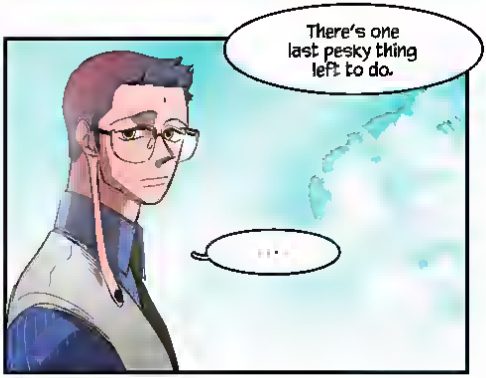
And, as instructed, everything's in place to isolate the directors from the boss.

Hermes.
Yes?

Be ready to write a letter of apology.
What?!
Why...?
Hangs up

Ha... This is quite...
Hey, why do you guys look so surprised? Should I have knocked?
HEY, WHAT BUSINESS DO YOU HAVE HERE?!
Whatever. I just stopped by to see you.
How did you get past our security?!

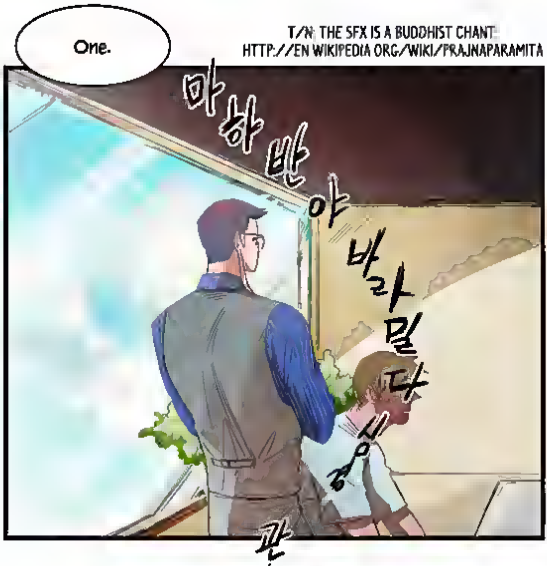
Who designed your security? Do you really think that something like that could slow me down?
But anyways.



There's one last pesky thing left to do.
...

That brat, Hermes. I don't know if he's at work or not.
Mmm... Just gimme three seconds.
Three.

Two.



One.

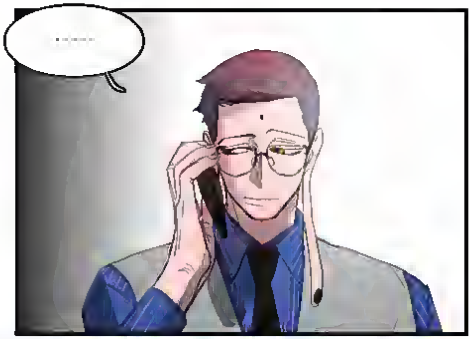
That's your ringtone?

Yep. My Heart Sutra.

Hello?
Yeah...



.....

Sorry, but I need to leave work.
Who was it?

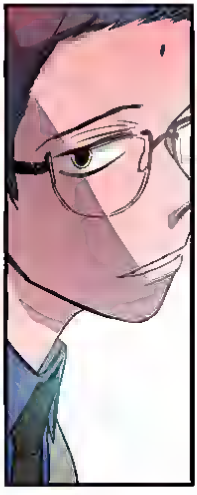
Rahula

Your son?

T/N: RAHULA WAS THE ONLY SON OF THE BUDDHA

Well...

...I don't know if it's for real.



Haha.

If it is an urgent call, then you should go.

I just think that I'll miss a lot of the discussion if I just leave like this.
Nah. Don't worry about it.

Well, I guess that later I'll find out why you're suddenly here.
You and your cunning plans - I gotta hand it to you.

Look who's talking. I suppose you won't reveal that sinister nature of yours for a while.

So. You dare to use my son?
Shouldn't you get home quickly?
Slam!

All right. Now I feel like talking.

I can sit here, right?

Oh, right, what am I thinking? I haven't given you a proper greeting.

It's been a long time.

.....

You still dress like that despite your age.

It still works - it appeals to women's maternal instincts.

But hey, let's talk about you. Seems like you've cleaned up your look.

I thought I told you that I didn't want to see you a second time.

It has been a long time since we last met.
What kind of greeting is that...
Swip
.....
...for a friend?

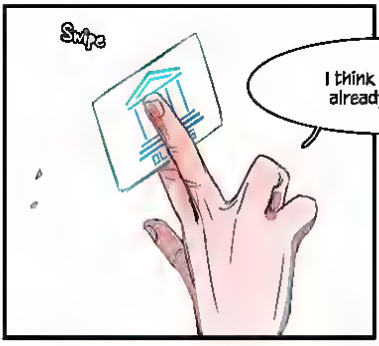
You owe a fortune for Hell repairs.

And then, you had the nerve to leave your calling card.

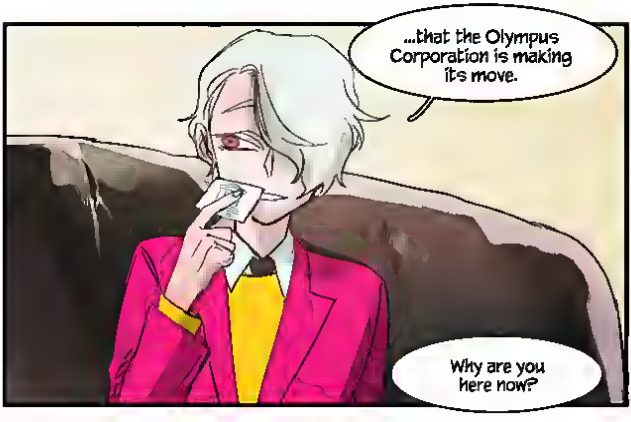
Was there a reason for you to do that?

Don't be so prickly.

From your reaction, someone might think that I'm here to devour someone.



Swipe
I think that you already knew...



...that the Olympus Corporation is making its move.
Why are you here now?

...

Crumple

I asked why?

Hey.
ZEUS
(IN HIS YOUNGER DAYS)
There are so many women in the world who want my love.
I would need ten bodies to satisfy all of them.
Yeah, yeah.

You have a family, so quit messing around so much. Get your act together.

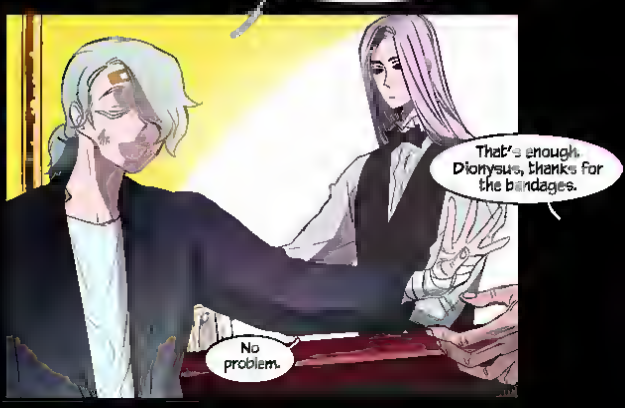
When Hera gets angry... She's really scary.

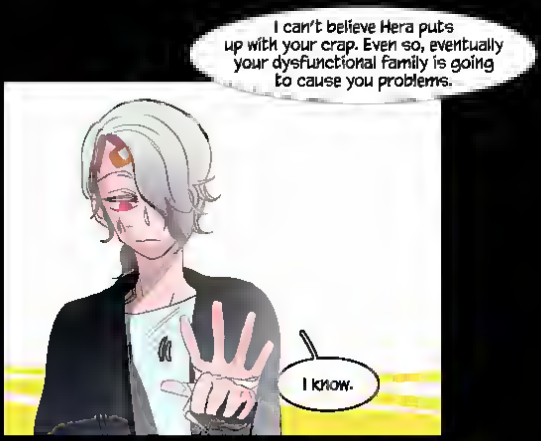
That's right... Usually she listens to me well...
Zeus, darling, you're not cheating on me, are you?
No husband of mine is gonna cheat
You won't cheat Death if you cheat on me.

If you gotta play, play in moderation.

Whenever you goof around, you skulk about avoiding Gabriel's eyes.

But I don't just play; I'm performing a service

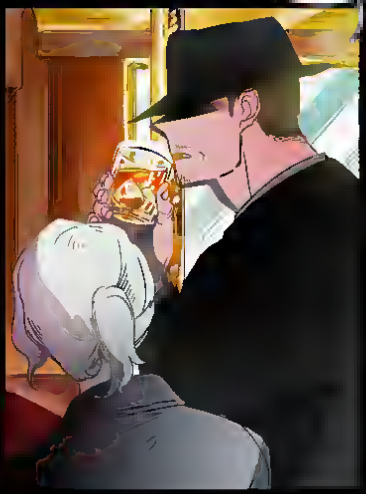




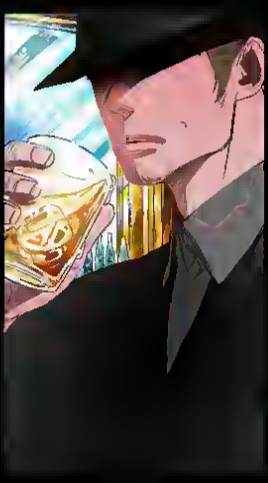
I can't believe Hera puts up with your crap. Even so, eventually your dysfunctional family is going to cause you problems.
I know.

Hey.

What?



Let's do a job together.



What...?

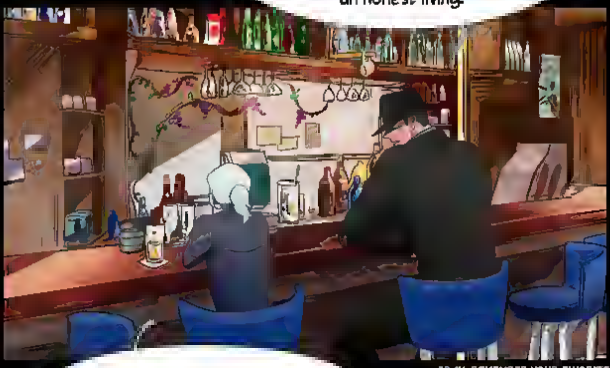
유시영 / 한동우

....
I'm not buying your filters.
I don't need insurance either.
It's not about that.
I said it's not about that.

Then what is it?

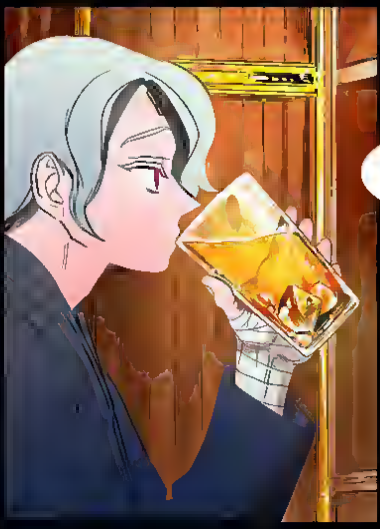
I honestly doubt that you [redacted] up your Easy Going* life to get a job and make an honest living.



*P/N REMEMBER YOUR FAVORITE SCANLATORS. EASY GOING SCANS!

Is that how you see me?

Because that's not it.



Then?

Hm...

SFX GATHER

This is us.

Here.

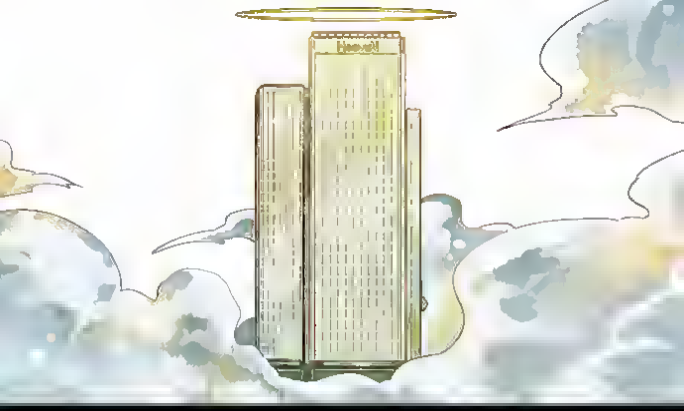
SET

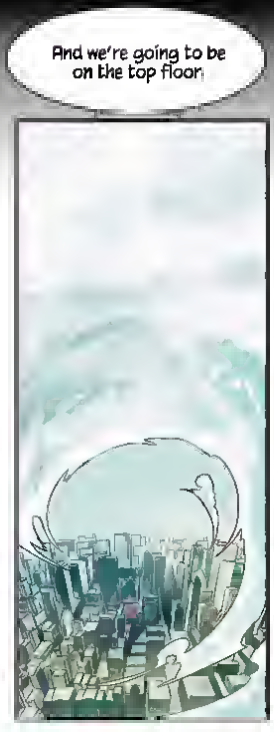
I want to make it like this.

Except it's going to be stronger,

...and more robust.

Yes, a company would be good.

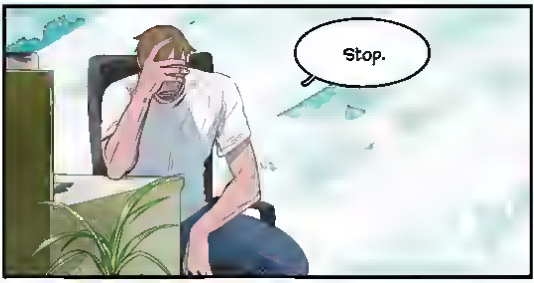




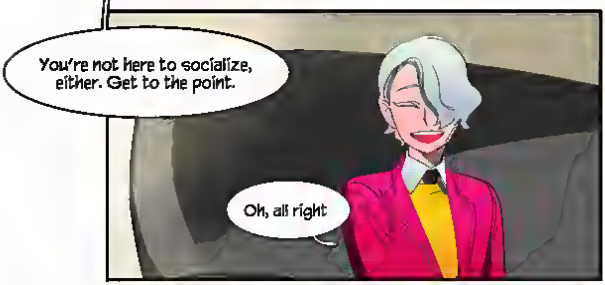
And we're going to be on the top floor!

So, how do you like the top floor?

Fun being the only CEO, isn't it?



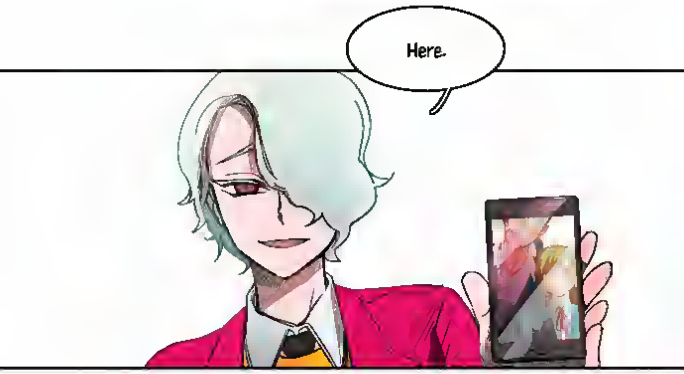
I doubt you're here for old time's sake.



You're right. I do have a reason to be here.

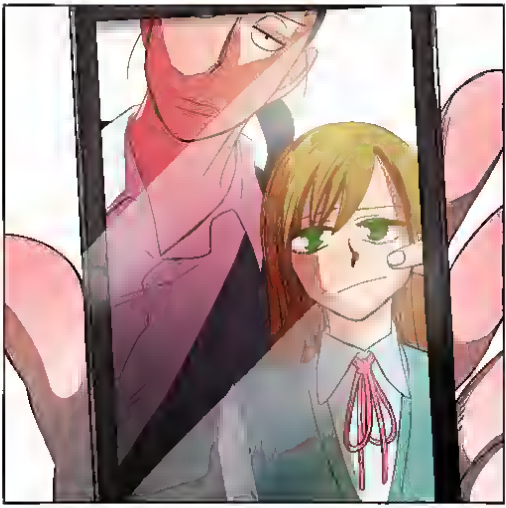
Well, I didn't want to rush things...

...but you asked for it.



Here.

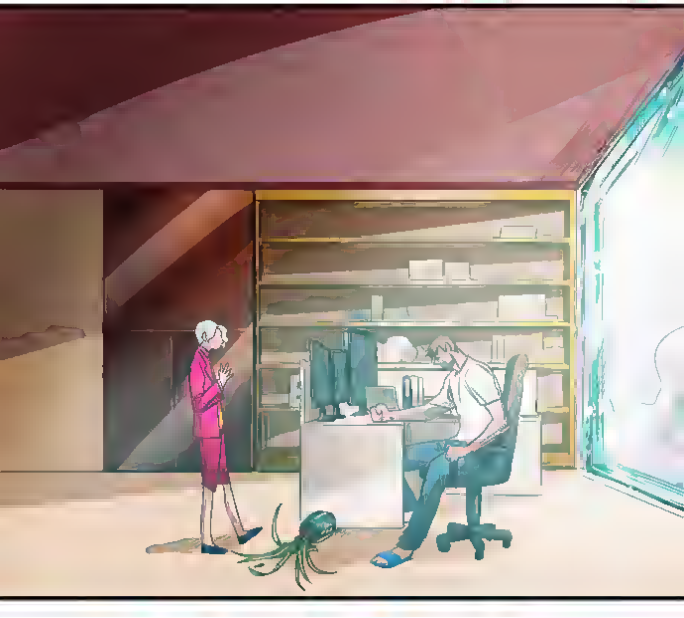
This is my point.



You're keeping all the fun for yourself.

I wanted to have some fun too!

SMASH

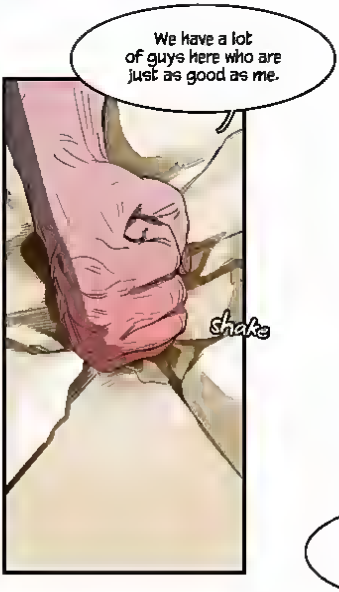


My, my. Still violent, huh?

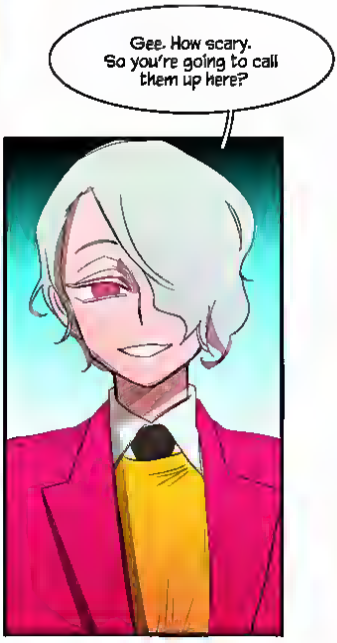
What if something "accidently" happens to her?

You dare to show this to me?

You think you're going to be safe after this?

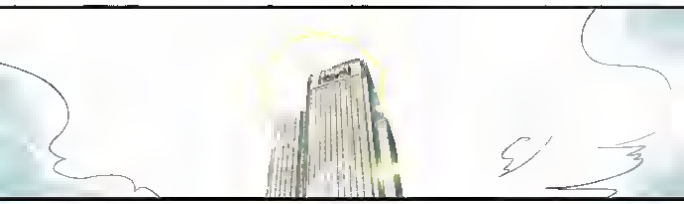


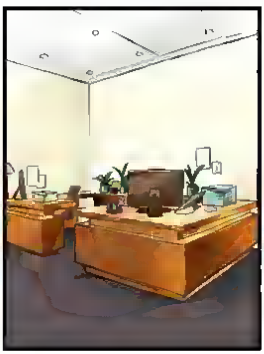
We have a lot of guys here who are just as good as me.
Shake



Gee. How scary. So you're going to call them up here?
Ha ha

Go ahead, call them.





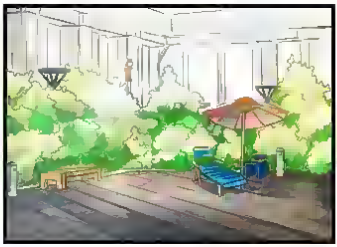
Ms. Frigg, please calm down!

I'll hit you once for being rude.

Ho...Honey, let's think about this...

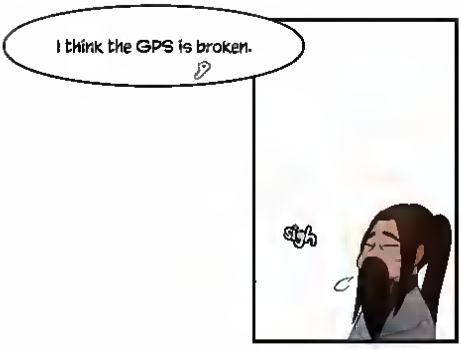
It's not like you'll die or anything.

L-Let's put the table down, okay? Okay?



Hey, Driver.

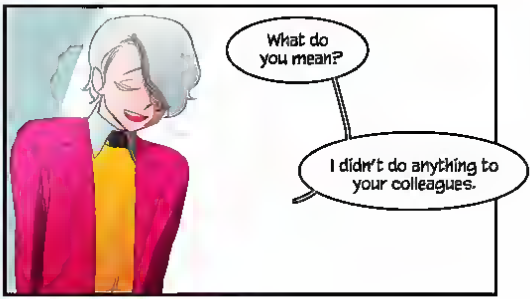
I don't have any service.
Are you sure we're going the right way?



I think the GPS is broken.
Sigh

...is not available
Please leave a message
after the tone

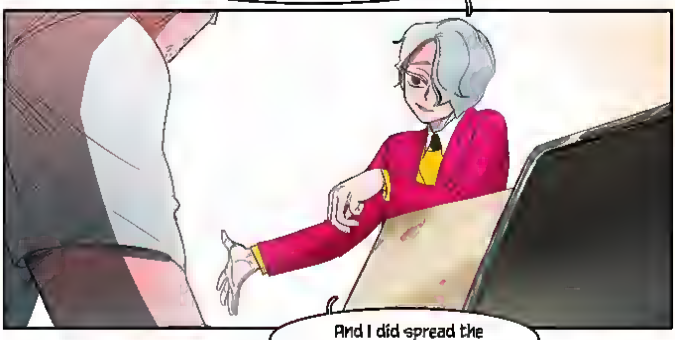
What have you done?



What do you mean?
I didn't do anything to your colleagues.

Well, I did do a little groundwork...

...like telling Frigg about Odin.



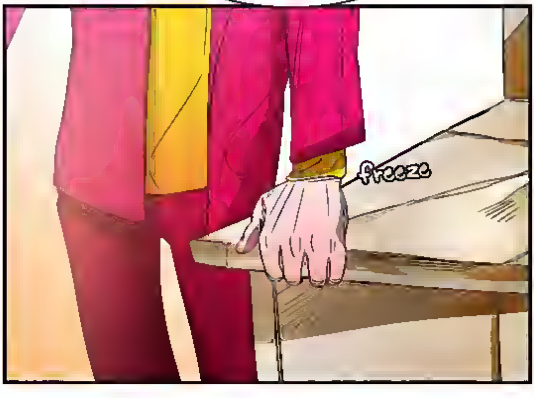
And I did spread the word about Shiva...

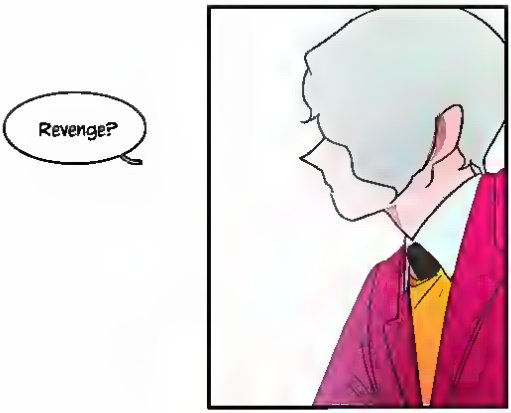
...And maybe messed a bit with Dangun's navigation system.

But, no big deal.

I don't like to use violence, unlike some people around here.

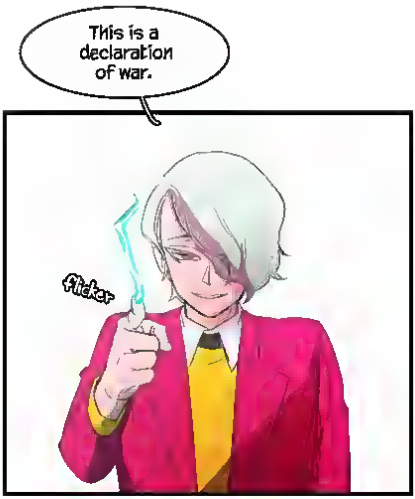
Is this revenge for what happened?





Revenge?

You're asking about revenge. Oh so you did something in the past, eh?



This is a declaration of war.

I'm back...

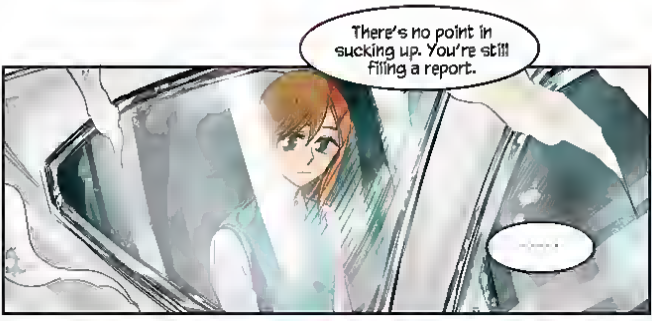
Wow, Father... You were one fine badass back there.



There's no point in sucking up. You're still filing a report.

But Dear,

why get directly involved?

Isn't that just extra trouble?

Did you have to come and manage things yourself?

All for that human girl?

Yum.

D-DID YOU JUST FIRE A LIGHTNING BOLT?
DO YOU KNOW HOW MUCH THIS CAR COST?
W-WHAT WAS THAT FOR!?
Now, now.
Don't freak out. I was aiming it at the human realm.
Hermes showed that footage of the meteor shower...
...and Heaven Corporation was the only place hit

And we didn't suffer even a scratch.

The human realm was also unhurt.

Isn't it strange?

Odin claims that this girl is just a connection factor. I believe he's wrong

What do you mean?

Ever hear of a "white hole?"

It's one of the components that make up space.

According to a theory, what is sucked into a black hole will emerge through a white hole.

I think...

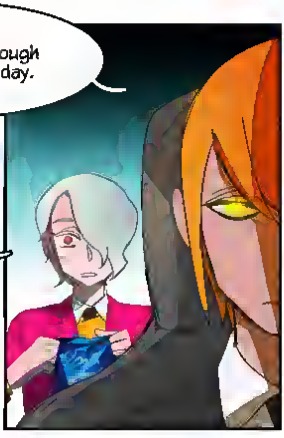
...if the human realm is a black hole,

...then this human is the white hole.

She's not just a simple connector, but a strong link.

She can be very valuable to us.

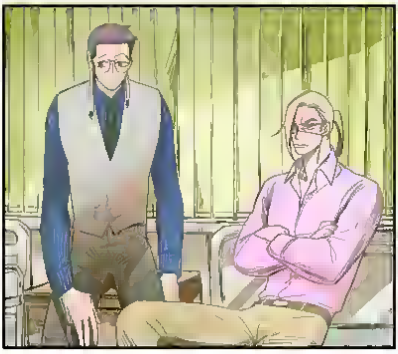
Honey, that's enough snacks for one day.



Huh? But that human ate most of the..

.....

Anyways,
we can really exploit this human.
That's why I went there pretending to be a total fool.
I went there myself just so I could see that guy collapse in despair!
Ha-ha-ha!
That's terrible.
I really wish I could see the other guys' reactions though.
Oh well, too bad for me.



OUCH OUCH OUCH.

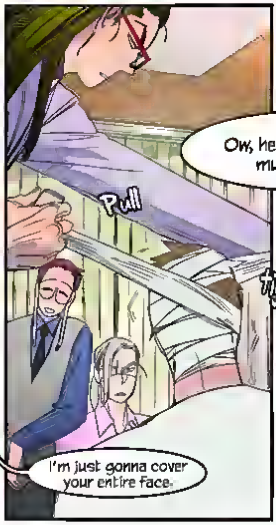
Sorry I interrupted.
No, no, I'm rather thankful.
I could have gotten divorced.
Frigg was there too?
OO-WEE.
She scares me.
Sorry.

I would have come to you if I knew Zeus was coming.
Frigg would have been there too.
Yeah, well,
despite facing an attack alone,
it doesn't look too bad.

He only hit you once, even though you were alone.

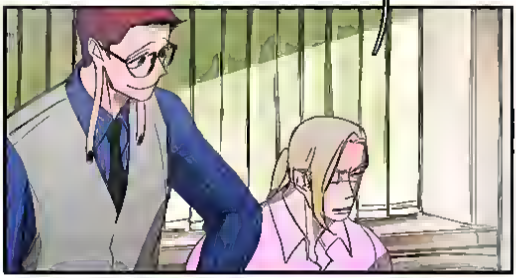
If I were him, I would have finished the job.



Haha, Gabriel's pretty upset with you.

What should he do?

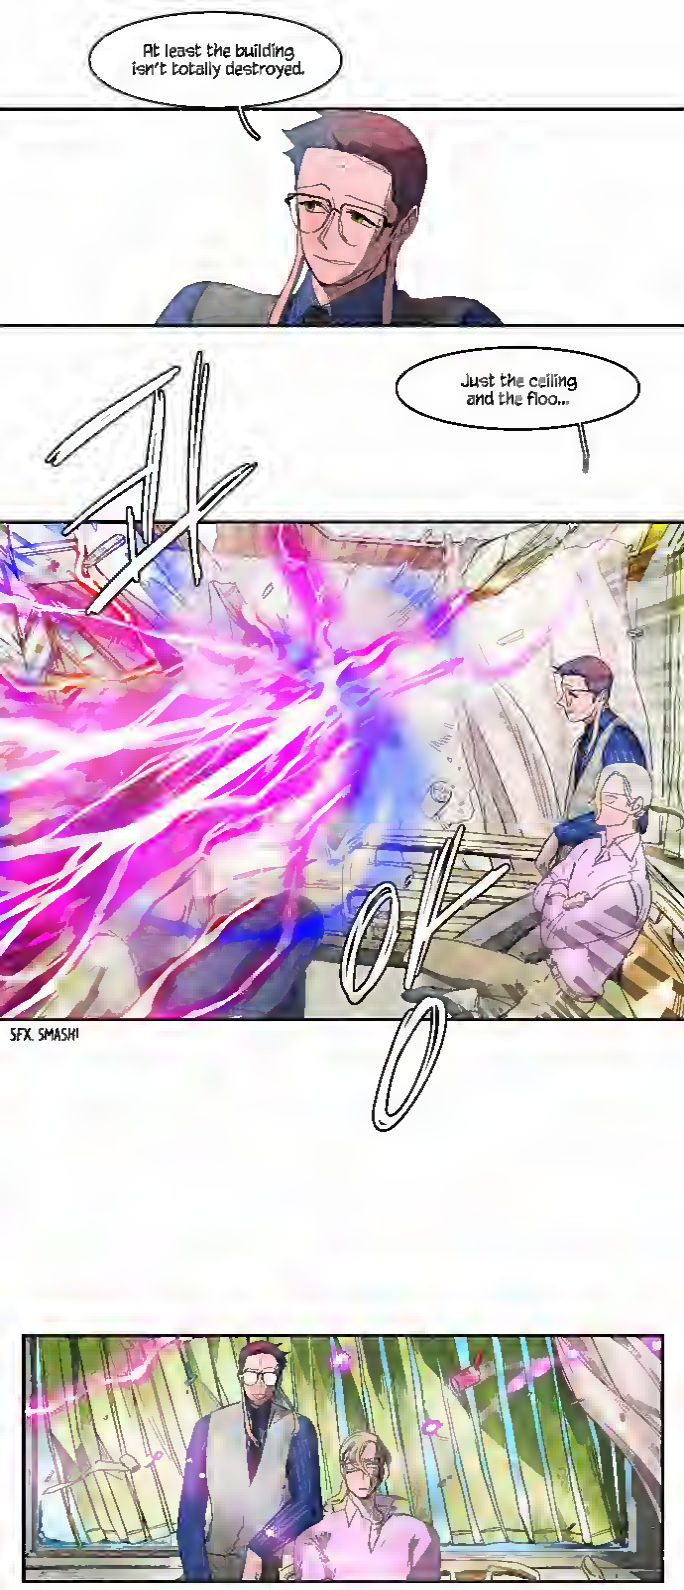
It's obviously a trap.



Also I'm a bit worried that we can't get in touch with the others.

We couldn't reach you, but you were fine.

But still.



At least the building isn't totally destroyed.
Just the ceiling and the floo...
